PAGE 13

ACCREDITATION AND RECOGNITION

Stetson is accredited by the National Council for the Accreditation of Teacher Education. It is a member of the Southern University Conference.

PAGE 23

COMBINATION PROGRAMS

Combination programs in engineering are now available between Stetson and the University of Florida, in addition to Duke University.

PAGE 27

ADMISSIONS

In addition to the requirements on pages 25-27, all applicants are required to furnish the Scholastic Aptitude Test scores of the College Entrance Examination Board. Application should be made to the College Entrance Examination Board, P. O. Box 592, Princeton, New Jersey, prior to July 23; information concerning this test should be available at the guidance office of the applicant's high school or may be obtained from the above address. Applicants unable to complete this requirement should consult the Director of Admissions at Stetson about alternative tests which may be required.

PAGE 27

ORIENTATION OF NEW STUDENTS

Orientation Week for 1958 is September 22-27.

PAGE 32

EXPENSES

The average price of rooms in University residence halls will be advanced approximately \$10 in 1958-59.

PAGES 42 ff

CHANGES IN THE CURRICULUM REQUIREMENTS FOR THE COLLEGE OF LIBERAL ARTS

Students registering for the first time in September of 1958, and students changing their majors after September 1958, should note the changes in requirements below. Information about these changes may be obtained from the Dean of the College. Details will be included in the next University Catalogue to be published in the fall of 1958.

PAGES 45-47

THE DIVISION OF GRADUATE STUDIES

A new requirement for admission to candidacy for the Master's degree.

PAGE 65

ENGLISH

A revision of the major requirements.

PAGE 67

Entering students should note the new requirement that eight hours of credit must be earned in the first semesters of residence in Communications. These eight hours of credit must include a satisfactory score on the English Placement Examination given at the time of entrance, or satisfactory completion of Eh 101, and satisfactory completion of G-1 and G-2. Credit will be given for G-1 and 2 independently, but no credit for either may be earned until the Placement Examination has been passed or Eh 101 has been completed.

PAGE 72 AND 31

HEALTH, PHYSICAL EDUCATION, AND RECREATION

The substitution of R.O.T.C. for physical education activities courses for men is abolished.

PAGE 77

JOURNALISM

A change in the structure of offerings to make Journalism an inter-departmental course rather than a professional major.

PAGE 78

MATHEMATICS

Major changes in the structure of the major and in the number of courses.

PAGES 80-82

MODERN LANGUAGES

The addition of a laboratory requirement for first year language students.

PAGE 85

General Information

THE MAIN CAMPUS of Stetson University is in DeLand, Florida, a residential city of 10,000. It is one hundred miles south of Jacksonville and twenty miles west of Daytona Beach, in the semi-tropical belt of the state characterized by citrus and diversified farming and cattle raising. The St. Johns River is nearby and the resort areas of the east coast and the central lake sections are readily accessible. The mild climate of this portion of Florida combines a warm winter with a relatively less humid summer than characterizes the tropical area of the state.

From its founding Stetson has maintained a faculty dedicated to Christian scholarship. It is the Baptist University of Florida. It endeavors to transmit to its students a knowledge of the Christian religion, to help them understand that faith and its ethical implications, and to lead them to commit themselves to Christian values and to express these in campus life.

HISTORY

Stetson was founded in 1883 and became a college in 1885. Known first as DeLand Academy, after the principal founder of the town, Henry A. DeLand, its name was changed to Stetson University in 1889 in honor of the well-known hat manufacturer who gave generously of his time and means. From 1898 to 1910, Stetson was affiliated with the University of Chicago in a unique student exchange plan. The College of Law was organized in 1900, the first law school in Florida. During the first decade of the twentieth century Stetson was the only college or university of fifty or more students in the Southeast that required sixteen Carnegie units for admission and four years' work for the A.B. degree. Graduate work leading to the Master of Arts degree has been given since early in the century. The School of Music, long a department of the College of Liberal Arts, became a coordinate college of the University in 1936. The School of Business was organized in 1940. Popularly known as Stetson University, the legal name of the corporation is John B. Stetson University.

PURPOSE

The University works to equip its students to take their places in American Society. Stetson men and women are urged, in the light of Christian faith, to value the spiritual and moral above the

materialistic, to cherish personal integrity, and to seek further truth with reverence. They examine the heritage of the past in order to understand that a truly free society consists of free individuals aware of their responsibilities. The University holds that these beliefs underlay the founding of this nation and that its survival in the atomic age demands their reaffirmation. It is the goal of the University to aid each man and woman to achieve full realization of his capacities and full awareness of his obligations.

To this end the University strives to become a community the members of which share in the search for knowledge and the process of Christian self-discovery. It provides a program of general education, a variety of specialized studies, and opportunities for physical, social and religious activities. It joins in a common worship service regularly as an integral part of its total life. Unusual advantages are afforded by visiting artists and lecturers, religious emphasis week, the fine arts series and the music and dramatic events of the year.

ACCREDITATION AND RECOGNITION

The primary accreditation of American colleges and universities is that of the regional accrediting body. For the South this is the Southern Association of Colleges and Secondary Schools. Stetson is fully accredited by the Southern Association. It also holds membership in the Association of American Colleges. The College of Law is accredited by the American Bar Association and is a member of the Association of American Law Schools. The School of Music is a fully accredited member of the National Association of Schools of Music.

Stetson University is approved by the American Association of University Women.

THE SEVERAL COLLEGES

THE COLLEGE OF LIBERAL ARTS is the oldest and largest of the four colleges comprising the University. It offers work leading to the degrees Bachelor of Arts and Bachelor of Science, the requirements for which are on pp. 30-31; and to the degrees Master of Arts and Master of Science, described on pp. 45-47.

THE COLLEGE OF LAW is the oldest law school in Florida. It is located in the Gulfport section of St. Petersburg. It offers a three-year course leading to the degree Bachelor of Laws. Detailed information concerning the College of Law may be found on p. 94 and in the *Bulletin* of the College of Law.

THE SCHOOL OF MUSIC provides courses leading to the degrees Bachelor of Music and Bachelor of Music Education. Students may major in music for the Bachelor of Arts degree. Training is offered for the music professions, for directors of church music, and for church organists. Courses are available to those not majoring in music. Information is given on p. 98.

THE SCHOOL OF BUSINESS offers courses leading to the degree Bachelor of Science in Business Administration. Students may concentrate in any of the ten areas described on pp. 123-128. A Certificate in Secretarial Science is granted for two years work in the secretarial curriculum.

FINANCIAL SUPPORT

Stetson, in common with all non-publicly supported American colleges and universities, obtains only a portion of its operating funds from tuition and fees paid by its students. Almost half of its current running expenses are supplied by churches, alumni, business firms, and other generous donors.

The University receives its largest current support from the churches of the FLORIDA BAPTIST CONVENTION. The CHARLES E. MERRILL FOUNDATION has recently provided generously for the Program of American Studies. The JESSIE BALL DUPONT FUND assists substantially in maintaining the faculties. The CHARLES A. DANA FOUNDATION is aiding in the provision of new facilities for the College of Law. The JOHN B. STETSON COMPANY contributes to the operating expenses of the University.

BUILDINGS AND CAMPUS

The principal campus of Stetson University comprises some fifty acres within easy walking distance of the center of DeLand. Some thirty buildings house its varied activities. Administrative offices are in Elizabeth Hall, which is the largest classroom building and contains the principal auditorium. The physical sciences are housed in Flagler Science Hall, the School of Music in DeLand Hall and annexes, dramatic activities in the Stover Little Theatre, and the art department in Holmes Hall. The School of Business has its own building. Allen Hall, the student religious center, provides facilities for recreation, worship, and conference, as well as offices for all student religious workers.

Stetson University owns and operates, as a commercial affiliate of NBC, station WJBS in DeLand. The facilities of the station are available for student and faculty programs, and constitute the laboratory in which students in speech and radio courses are given practical experience. The William Tyler Olcott reflecting telescope, the gift of the Daytona Beach Astronomical Society, has a twelve-inch mirror with a focal length of one hundred inches. In addition to exhibits of Florida plant and animal life and arts and crafts of American Indians, the Monroe Heath Museum houses the L. L. Rice Planetarium, a Spitz instrument recently given to the University; frequent showings are open to the public as well as to University classes. The William E. Holler Memorial Fountain, with its display of colored lights, beautifies the quadrangle between Elizabeth Hall, the Library, and Holmes Hall. There are gymnasiums for men and for women, several playing fields, dormitories, and refreshment and recreational facilities. A new Commons and Student Union building will be open in September 1957.

THE LIBRARIES

The several libraries of the University house approximately 180,000 catalogued items. The principal collection is that of the Carnegie-Sampson Library, the building for which was erected in 1909 with the assistance of a Carnegie grant. At that time a maintenance fund was established by Elizabeth, Countess of

Santa Eulalia. When a new wing was added in 1929 it was named for Mr. C. T. Sampson, an early and generous friend of the Library. This, the University Library, has some 54,000 books, 14,600 bound periodicals, and 100,000 government documents, the last comprising the accumulations of the first document depository in Florida. The University subscribes to the Evans-Sabin Microcard Project, and is cataloguing from this source a steadily growing number of items relating to early America. The Library of the College of Law comprises approximately 20,000 bound volumes. A collection of music scores and recordings is maintained by the School of Music.

The University Library is the official depository for Florida Baptist archives and possesses a growing collection of significant Florida and Southern Baptist records. This collection, housed in its own room, has been recently enriched by the acquisition of a large number of microfilm copies of sixteenth and seventeenth century Baptist documents.

HEALTH SERVICE

The University physician keeps daily office hours at the Infirmary which is under the supervision of a registered nurse. The Fish Memorial Hospital in DeLand, considered a model fifty-bed hospital, provides excellent service. Parents are notified by the Deans of Women and Men of serious illness or emergency. An annual medical examination is given all students under the supervision of the University physician. The University reserves the right to cancel the registration of any student whose health record fails to meet the standards set by the University physician.

ORGANIZED RELIGIOUS LIFE

It is the purpose of Stetson University to realize in the curriculum and the classroom the implications of its motto, *For God and Truth*. Every endeavor is made to translate Christian principle into campus life and activity. Chapel services, required of all students, are held regularly. A year course in religion is required for graduation. Students are urged to attend Sunday School and church services. Vespers, planned and directed by students, are held several evenings a week. Religious organizations endeavor to increase the churchmanship of the student body. Allen Hall serves as the center of the campus religious activity program. The Director of Religious Activities coordinates the interests represented by the several organized religious groups.

GUIDANCE

The guidance program is planned to assist students at all levels in growing toward emotional and vocational maturity.

A series of tests is administered to all freshmen and transfer students, as a part of the Orientation Program (see p. 27), to

help them gain understanding of their abilities, aptitudes, and interests. Achievement tests are taken by all students near the end of their sophomore year. The Guidance Office administers and interprets further tests to individual students who wish this help in making educational, vocational, and personal decisions.

Each student is assigned to a faculty adviser who helps him interpret test data, study needs and interests, and plan his academic course in terms of his own self-understanding. Faculty advisers are available for scheduled planning-interviews throughout the year, as well as for casual, friendly conferences and social contacts. The faculty advisory system is coordinated by the Director of Guidance, who supplements the adviser conferences with vocational, educational, and personal counseling.

Many guidance functions are carried out by other agencies. The Dean of Men and Dean of Women exercise general supervision over the conduct and welfare of students through personal counseling and group contacts. Faculty specialists in many fields are available to confer with students. The Dean of the School or College and the Registrar will help evaluate credits and plan programs. The physical education departments, the University physician, and the nursing service will help with health problems. The education department and General Education staff provide special clinics for students who need more effective habits of reading and study.

STUDENT ORGANIZATIONS

THE STUDENT GOVERNMENT ASSOCIATION is comprised of all students. Its object is to represent and further the best interests of the student body and of Stetson University, to coordinate the various student organizations, and to cooperate with the University authorities for the common good of the institution. Under the Student Government Association each College and School of the University has its separate organization.

THE MEN'S COUNCIL assists in the administration of men's affairs on the DeLand campus, functioning as a disciplinary board and an advisory group.

THE WOMEN'S STUDENT GOVERNMENT ASSOCIATION is composed of all resident women of the University. The purpose of the Association is self-government.

* * *

THE HONOR is an organization to aid in the development of all-around young women, to encourage scholarship, to recognize individual abilities, and to promote leadership.

OMICRON DELTA KAPPA is a national leadership fraternity for men. Its purpose is to recognize men of outstanding leadership ability, students and faculty, and to bring them into cooperative association.

THE ORDER OF THE SCROLL AND KEY recognizes and encourages high scholarship and leadership. Members are chosen from the highest five per cent of the junior and senior classes.

THE PHI SOCIETY is sponsored by members of Phi Beta Kappa. It gives recognition for scholarly work in liberal arts.

* * *

THE STUDENT CHRISTIAN ASSOCIATION serves as a clearing house for the varied interests of the student religious groups and provides a vehicle for cooperative action. It is composed of representatives of the Baptist Student Union, the Canterbury Club, the Disciple Student Fellowship, the Wesley Foundation, and the Westminster Fellowship.

THE BAPTIST STUDENT UNION coordinates the campus activities of the denomination, serving as a link between the local Baptist churches and their students at Stetson.

THE CANTERBURY CLUB is an organization of Episcopal students which works closely with that denomination.

THE DISCIPLE STUDENT FELLOWSHIP serves members of the Disciples of Christ churches.

THE MINISTERIAL ASSOCIATION is composed of men studying for the Christian ministry. An effort is made to enlist each member in a place of service—preaching, teaching in Sunday School, or conducting study courses. In conjunction with the Florida Baptist Convention the Association holds an annual orientation for ministerial students.

THE WESLEY FOUNDATION coordinates the interests of Methodist students.

THE WESTMINSTER FELLOWSHIP provides an organization for Presbyterian students.

THE YOUNG WOMEN'S AUXILIARY endeavors to promote a consciousness of the world-wide missionary enterprise.

* * *

THE STETSON BAND furnishes suitable combinations for University functions. The Hatter Marching Band appears at football games and in various parades. The Pep Band, a small unit, plays for rallies and student meetings. The Concert Band is a selected instrumentation that appears in concert locally and in other cities. The Sight-reading Band meets one evening weekly and is open to those who wish to play for fun; it includes some faculty members, townspeople, and students who are not in the other bands. This group is led by music majors. All band activities are promoted by Tau Beta Sigma and Kappa Kappa Psi.

THE STETSON GLEE CLUBS, one for women and one for men, operate as separate units, and combine to form the University

Chorus. The Glee Clubs appear in concert at the University and in many cities throughout the South. The Chorus appears in concert at Christmas, in the spring, and at Commencement. The Travel Squad of picked voices appears in concert throughout the region.

THE STETSON OPERA WORKSHOP is open to students upon audition. It is for the study of opera through participation in the presentation of selected scenes from standard and contemporary operas; chamber operas are given in their entirety.

THE STETSON ORCHESTRA provides opportunity for orchestral experience as player, soloist, and conductor. Readings and performances of student compositions and arrangements are heard. Various University and out-of-town concerts are given from the repertory of standard overtures, symphonies, concertos, classical and modern works. The Orchestra also joins the Glee Clubs for oratorio and opera presentations.

THE INTERFRATERNITY COUNCIL is designed to control and expedite fraternal affairs.

STUDENT ACTIVITIES

ATHLETICS. Stetson students participate in intramural and intercollegiate athletics. Every student is urged to take part in the intramural program which offers a wide range of activities from September to June. Intercollegiate teams in basketball, baseball, golf and tennis meet teams from schools throughout the Southeast. Stetson is a member of the National Collegiate Athletic Association, the Southern Intercollegiate Athletic Association and the National Association of Intercollegiate Athletics.

DRAMATICS. The Stover Theater affords a wide variety of theater activities. Students learn production, directing, acting, lighting, scene construction, and management through practice. Experimental plays, workshop plays, classic and modern plays are a part of each year's program. The formal schedule for the forty-ninth season, 1956-57, included *The Young and the Fair* (Richard Nash); *Time Out for Ginger* (Ronald Alexander); *Job*; *Mistress of the Inn* (Carol Goldoni); *Cymbeline* (Shakespeare); *The Miser* (Moliere).

PUBLICATIONS. *The Stetson Reporter* is a weekly newspaper published by the students and is the oldest college newspaper in the state. Editor and business manager are elective officers; the numerous other appointments are their responsibility.

The Hatter is the annual. Published by the students under an elected editor and business manager, *The Hatter* offers a wide range of activities in reporting, photography, art work, and editorial work.

The Student Handbook, containing detailed information on student activities and organizations, together with University regulations, is published annually.

THE SUMMER SESSION

An eight-weeks summer session is held regularly, beginning the third week in June. Within this period are two four-weeks sessions, and a special course usually of six weeks duration. The offerings are selected from this Catalogue. Courses are taught

by members of the University faculty augmented by visiting specialists. Nine semester hours is the normal maximum student load. For details see the Summer Session issue of this *Bulletin*.

THE EXECUTIVE DEVELOPMENT PROGRAM

The Executive Development Program is a five-year course of study that may be telescoped into four calendar years by planning the work for year-round attendance. It leads directly to the degree Master of Arts in Economics. The Program provides a unique educational experience designed to prepare students for responsible managerial positions in business. In addition to the general education sequence of courses (see p. 67) and his work in his major field of study, the student will undertake a core of studies in economics and business.

Admission to the Program, which follows completion of the equivalent of two years of college work, is based upon superior academic ability, and evidence of the qualities of effective leadership. For further information, write to the Director of the Executive Development Program. See also pp. 47.

THE CHARLES E. MERRILL PROGRAM OF AMERICAN STUDIES

In response to the challenge of contemporary events, the University has organized a fresh approach to the study of the American heritage, to emphasize particularly the principles upon which this nation was founded and has grown great. Supported by the generosity of the Merrill Foundation, the American Studies Program offers a major in the College of Liberal Arts, the purpose of which is to give the student a fuller understanding of the American democratic system, and of the philosophy on which it rests (for details see pp. 49-50). The Merrill Program is integrated with the general education courses, notably G15-16, in which all students who pass through the University will study the unique features of the American way of life and will contrast it with communism and other totalitarianisms. A graduate program designed especially for public school teachers will lead to the Master's degree in American Studies. In addition, an adult education program is projected as a part of this effort. For full information write the Director of the Merrill Program of American Studies.

COMBINATION PROGRAMS IN FORESTRY AND ENGINEERING WITH DUKE UNIVERSITY

Stetson University offers combination programs in forestry and in engineering with the School of Forestry, and the College of Engineering of Duke University. Upon successful completion of the appropriate five-year coordinated course of study, a student will have earned the Bachelor of Science degree from Stetson

University, and the professional degree Master of Forestry, or the proper Bachelor of Science degree in engineering.

A student electing to pursue one of these courses of study spends the first three years in residence at Stetson. He obtains a sound education in the humanities and other liberal arts in addition to his basic science. Such an education does more than prepare a student for his later professional training; it offers him an opportunity to develop friendships with students in many fields, expand his interests, broaden his perspective, and begin the development of his potentialities.

A student devotes the last two years of his program to the professional forestry curriculum, or the professional engineering curriculum, as he chooses, at Duke University.

Candidates for one of these combination degree programs should indicate to the Director of Admissions at Stetson University that they wish to apply for one of these courses. Admission to the University is granted under the same conditions as for other curricula. At the end of the first semester of the third year the University will recommend qualified students to Duke University for this professional training. Each recommendation will be accompanied by the student's application for admission, and a transcript of his academic record at Stetson. No application need be made to Duke University prior to this time.

Information concerning this program is available in the Office of the Dean of the College of Liberal Arts.

THE WASHINGTON SEMESTER

Stetson University participates in the Washington Semester of the American University at Washington, D. C. Each year a limited number of superior students in the Division of Social Sciences of the College of Liberal Arts enjoy the opportunity of studying government and international relations in the nation's capital. The program is supervised by the American University and an inter-institutional committee made up of representatives from each of the participating colleges. Full credit for the semester's work is given towards the students' degrees at Stetson. In 1956-57 four Stetson students were chosen for this special honor. For information consult the Dean of the College of Liberal Arts.

RESERVE OFFICERS' TRAINING CORPS

The Stetson ROTC was established during the summer of 1950 and enrolled its first students for the fall quarter of that year. Authorized by the Secretary of the Department of the Army, it was designated as a Military Police Corps Unit. In September, 1952, the Stetson ROTC Unit was selected by the Department of the Army to institute the Branch General Program, which stresses general military subjects applicable to the Army as a whole with emphasis on leadership.

Students enrolled in the Advanced Course are not limited to any one Branch of the Army but may qualify for any one of the fifteen Special Branches. Selection for a special Branch is dependent upon each student's special talent, desire, recommendation of the University Guidance Committee and the Department of the Army quota requirements.

Two hours credit is given for each semester completed; men enrolled in ROTC are not required to take a physical education activities course.

All eligible freshmen male students entering Stetson University are required to enroll in ROTC.

Transfer students and veterans may enroll in ROTC with the concurrence of the Professor of Military Science and Tactics.

ENROLLMENT REQUIREMENTS

BASIC COURSE: In order to become regularly enrolled in the Basic Course, students must be citizens of the United States and be not less than fourteen nor more than twenty-eight years of age prior to qualifying for appointment as Second Lieutenants.

ADVANCED COURSE: In order to become regularly enrolled in the Advanced Course, students must be citizens of the United States, be not more than twenty-eight years of age prior to qualifying for appointment as Second Lieutenants, be physically qualified in accordance with the Army standards for Reserve Officers, and successfully complete the ROTC Qualifying Examination; they must have completed the entire Basic Course ROTC at Stetson University or such other institution as offers such a course, or have at least one year of active and honorable service in the Army, Navy, Air Force, Marine Corps, or Coast Guard of the United States.

ADMISSIONS

A Christian university with a selected student body, Stetson chooses its students on the basis of their academic ability and performance, character, health, and promise of leadership. The Admissions Committee therefore gives careful consideration to evidences of desirable character and personality as well as to the ability and eagerness to achieve a college education at Stetson.

ADMISSION TO THE FRESHMAN CLASS

The applicant must be a graduate of an accredited secondary school, with a minimum of fifteen units of credit, at least three of which must be in English; the remainder should be chosen from foreign languages, natural science, social studies, and mathematics. Applicants presenting fewer than thirteen such college preparatory units will be required to give evidence of their ability to do acceptable college work.

Applicants graduated from non-accredited high schools and applicants over twenty-one years of age unable to obtain admis-

sion otherwise may present satisfactory General Educational Development test scores.

ADMISSION TO ADVANCED STANDING

An applicant with a C average earned at an accredited college may be admitted provided that his previous college furnishes Stetson with a statement that he is in good standing and eligible to return. *It is the student's responsibility to have this statement and his transcript sent to the Director of Admissions.* Credit will be accepted for courses equivalent to those offered at Stetson if graded C or better. An applicant from a non-accredited college may be accepted provisionally under the same conditions; credit must be validated by one year of full-time work (a minimum of thirty-one semester hours in residence at an accredited college) with an average of C.

ADMISSION OF SPECIAL STUDENTS

Under unusual circumstances an applicant twenty-one years of age or older may be admitted as a special student; *no work done by such a student may be counted ever toward a degree.*

ADMISSION PROCEDURE

Applicants should write to the Director of Admissions for application forms. These should be completed as early as possible; in 1957, applicants filing later than August 10 cannot be assured admission in September; after January 7, 1958, for the spring semester. *Applicants will be notified of their acceptance by the Registrar at the earliest possible moment.*

All of these items must be filed before the application can be acted upon:

1. The University's application form.
2. Matriculation fee, \$10.00, payable once and not returnable.
3. Record of a recent medical examination in duplicate on the University form. Veterans may present a service examination and must supply a photostatic copy of honorable discharge.
4. The names and addresses of three persons not members of the applicant's family to whom the University may write for recommendations.
5. (a) High school seniors or graduates applying for admission to the Freshman class must furnish transcripts, such standard test scores as are available, and principals' recommendations.
(b) College transfer applicants must file transcripts, including available test scores, from all colleges attended; failure to do so will invalidate an application.

6. The Scholastic Aptitude and English tests of the College Entrance Examination Board are recommended for all freshmen.
7. Other standard test scores, if required by the Admissions Committee.

All applicants for admission for the fall semester 1957 and thereafter will pay an Advance Fee of \$50.00 by March 15 if admitted prior to that date. Applicants admitted after March 15 will be expected to pay the Advance Fee within 15 days after notification of admission. The Advance Fee is credited to the student's account and is not refundable after March 15 if applicant is admitted. Applicants failing to pay the Advance Fee as requested will be placed on the waiting list until the fee is paid.

The University assumes that applicants for admission have familiarized themselves with its program and ideals and that by the act of registration agree to support and abide by the academic and social regulations set forth in this Catalogue and in the *Student Handbook*.

ORIENTATION OF NEW STUDENTS

New students are required to come to the campus several days before registration in September to begin their Orientation Program which continues through the first semester. They take placement tests and on the basis of their scores are advised about courses and registration. One of the purposes of orientation week is to introduce them to administrative officers, faculty members, student body officers and leaders. The orientation activities are planned by a student-faculty committee and are carried out with the assistance of upperclassmen and student organizations. During the fall semester regular meetings, at which attendance is required, are held with faculty advisers to discuss adjustment to college life. Junior and senior transfers with satisfactory college records and acceptable test scores may be excused from these meetings. Orientation Week for 1957 is September 23-27.

CLASSIFICATION OF STUDENTS

Regular students are those registered as candidates for undergraduate degrees. They are *full-time* in any semester if they carry at least twelve semester hours of class work, *part-time* if they carry less. Regular students are *Freshmen* until they have completed twenty-eight hours, *Sophomores* on completion of twenty-eight hours, *Juniors* after completion of sixty-two hours, and *Seniors* when they have completed ninety-three hours with a C average.

Special students are not eligible to work toward a degree.

Graduate students are those in progress toward a graduate degree.

Post-graduate students are those doing work beyond the under-

graduate degree, but who are not candidates for graduate degrees.

Auditors attend classes but do not receive credit; they participate in class work at the option of the instructor.

ACADEMIC CREDITS AND CLASS LOAD

The academic year, from June to June, is divided into a summer session and two semesters. The semester hour is the unit of credit. One semester hour is earned for each class hour per week or for each two-hour laboratory period per week in a semester course.

The normal load for a student is sixteen hours each semester. In the summer session the normal load is nine hours. Students who earn a B average in one semester may register for eighteen hours in the following term. Heavier class loads may be undertaken only after successful petition to the Dean of the School or College. Probation students and others in special circumstances may find it advisable to carry less than normal loads. A twelve-hour load is the minimum for full-time classification.

CLASS ATTENDANCE

The method of instruction employed at Stetson requires regular attendance at classes. Two regulations govern absences: (1) A student missing classes to the detriment of his work will be warned by the instructor that further absences may result in a reduction of his grade; he will be reported to the Office of the Dean of Men or Women. (2). Ten per cent of class meetings is regarded as a maximum of absences—for illness, emergencies, social activities, or whatever reason. A student should not expect to obtain a maximum grade after this many absences (six for a three-hour course); he may earn an F. Fewer absences than this may be allowed if the instructor invokes (1).

EXAMINATIONS, GRADES, QUALITY POINTS

EXAMINATIONS are given in all courses at the end of each semester. A student absenting himself from an examination without advance permission will be graded F in that course. Special examinations will be allowed only upon written approval of the Dean of the College or School concerned.

GRADES AND QUALITY POINTS in courses represent the instructor's final estimate of the student's performance and are based on all work done during the semester. A (three quality points per semester hour), B (two quality points per hour), C (one quality point per hour), and D (no quality points per hour) are passing grades for which the student will receive credit. F (minus one quality point per hour) is the failing grade for which no credit is given. The quality point ratio is obtained by dividing the total quality points by the total hours.

For graduation a student must present a minimum of 124 semester hours and 124 quality points. If more than 124 hours are offered for any degree, a quality point ratio of 1.0, including all courses failed, must have been earned.

The C grade is the instructor's certification that the student has demonstrated the required mastery of the material. The grade of B signifies that the student has, for any combination of reasons, gained a significantly more effective command of the material than is generally expected in that course. The A grade may be interpreted to mean that the instructor recognizes exceptional capacities and exceptional performance. A student is graded D when his grasp of the course is minimal. The F grade indicates failure to master the essentials and the necessity for repeating before credit may be allowed. Numerical grades may be used by individual instructors as a convenience but have no precise meaning and are not recognized by the University.

Some special grades are used to mark situations not described above. The temporary grade of I indicates absence from examination, or extension of time to complete work, for reasons approved in advance by the Dean of the College or School concerned. The I must be removed by special examination before the end of the next academic session in residence; otherwise, it becomes F.

A student who has an approved withdrawal from the University in the first five weeks will receive a grade of W (no quality points). After the first grade inventory, his grade will be WP (no quality points) or WF (minus one quality point), according to the estimate of his instructor. X (no quality points) indicates that a course has been dropped after the deadline but has been excused from penalty for sufficient reason; otherwise XF represents penalty (minus one quality point).

No grade will be changed after it has been recorded in the Registrar's Office.

SCHOLASTIC HONORS

HONOR ROLL. Undergraduates who carry a normal load of at least fifteen hours and earn no grade less than B are named each semester to the Honor Roll.

DEAN'S LIST. Junior and senior undergraduates who carry a normal load with a quality point ratio of 2.5 thereby qualify for the Dean's List.

GRADUATION HONORS. A student who has been in residence for at least two years and who has earned a quality point ratio of 2.5 is graduated *cum laude* (with honor). A student who has been in residence for at least two years and who has earned a quality point ratio of 2.7 is graduated *magna cum laude* (with great honor). A student who has been in residence for four years and

has earned a quality point ratio of 2.9 with no grade below C is graduated *summa cum laude* (with highest honor).

ACADEMIC PROBATION AND SUSPENSION

Students whose cumulative academic averages drop below C will be placed on academic probation, which is continued until the C average is regained. If a student on probation fails to earn a C average in any semester, he is eligible to be dropped from the University. A student in his first freshman semester who fails all his work or who in a subsequent semester fails half his work is eligible to be dropped. Students dropped for academic failure may not re-enter the University except by permission of the Committee on Admissions; if readmitted they resume probationary status.

WITHDRAWALS

Official withdrawal from the University is granted by the Dean of the University only after proper clearance from the Dean of the School or College, the Dean of Men or Women, and the Business Office. Students who leave the University without proper withdrawal automatically suspend themselves and can be readmitted only with special permission from the University Committee on Admissions; the grade F is recorded for all courses.

DEGREE REQUIREMENTS

BACCALAUREATE DEGREES in the College of Liberal Arts, the School of Music, and the School of Business are conferred after completion of the academic programs prescribed and upon approval of the candidate by the faculties. Stetson reserves the right to refuse a degree whenever it appears that the character or conduct of the student will prevent his acceptable representation of the University. In addition to the requirements stated below, candidates for degrees in the School of Music and in the School of Business should consult the more detailed descriptions of the programs in those schools that appear later in this Catalogue.

1. A minimum of 124 semester hours with a C average for all work undertaken must be presented for a degree. Forty hours must be of junior-senior rank, i.e., composed of courses numbered 300 or 400.
2. A year of residence, normally thirty-one hours, is required in the College or School in which the degree is earned; the final semester, normally sixteen hours, must be completed in residence.
3. Each degree program must include the general education courses described on p. 67. The Communications (G1, 2) course must be completed in the first semesters of residence. The order of completion of the other courses in this series will be determined by the student and his adviser.

Exceptions to this requirement are made in the School of Music and the School of Business. A student registering in either school should consult the pages of this Catalogue concerning those curricula. In the College of Liberal Arts, exceptions are made for some pre-medical, pre-dental, pre-laboratory technology, and pre-engineering students. Exceptions may be made in the combination course in nursing.

Any part, or all, of the general education program may be exempted by examination upon request from a student whose qualifications indicate possible success in the examinations. An exemption does not carry credit, but affords a wider elective range.

A transfer student will be required to undertake those general education courses suited to his classification and previous training.

4. Every undergraduate under thirty years of age, except those enrolled in ROTC, must take a physical education activity course each of his first four semesters at Stetson. A transfer student may present credit toward this requirement but must meet it his first semester(s) at Stetson. Credit is not given in semester hours.
5. Every student must present six hours in religion.
6. Every student applying for an A.B. degree must present one year of a foreign language beyond the elementary year, except for the Division of Education.
7. Each candidate for a degree must offer a major in a department (e.g., English, religion, accounting, voice) or division (e.g., social science) of the School or College in which he is enrolled. He must have a C average in this major. The stipulations for each major are set out in this Catalogue under the courses of study beginning on pp. 49, 100, 123. After the student has chosen his major, he will be advised by that division or department in the selection of all his courses. Not more than forty semester hours may be earned in one department. At least half the work in the major field must be in the 300 and 400 series.
8. A student whose academic career is interrupted by military service may complete the requirements for his degree under the catalogue of his first registration, provided that he has not changed his first declaration concerning his major study. Other students are expected to complete their degrees within six years of matriculation. Those failing to achieve graduation in this time may be required to satisfy the requirements of the current catalogue. All changes of major entail acceptance of the requirements of the current catalogue.

Degrees are conferred in June; students must file formal applications in the Office of the Registrar not later than February 15.

THE GRADUATE DEGREES, Master of Arts and Master of Science, are described on pp. 45-47.

THE COMBINATION DEGREE is described on pp. 96 and 122.

THE BACHELOR OF LAWS DEGREE is described on p. 96 of this Catalogue, and in the *Bulletin* of the College of Law.

EXPENSES

Stetson University operates on the semester plan. Charges listed below are per semester unless otherwise noted.

MATRICULATION FEE\$ 10.00

(All students, except auditors, charged once; not returnable if application papers are filed.)

All applicants for admission must pay an Advance Fee of \$50.00 by March 15, or, after that date, within 15 days of notification of admission. The Advance Fee is credited to the student's account and is not refundable.

ROOMS IN DORMITORIES

Reservation Fee\$ 10.00

The prices of dormitory rooms vary according to number of occupants, bath facilities, and general desirability. The average price, *which includes flat laundry*, is \$100.00 a semester. A deposit of \$10.00 is required to reserve a dormitory room at any time and will apply on the bill. (It is refundable if cancellation is received by August 1st for the fall semester; by January 1st, for the spring semester; or if the applicant is not accepted for admission.) Rooms are assigned in the order of the receipt of the \$10.00 reservation fee. It is not always possible to assign the student the room of his first choice. Detailed information with the price scale and room descriptions will be sent upon request. Women should address all correspondence concerning rooms to the Dean of Women; men should write to the Director of Men's Housing.

MEALS. Cost per semester.....\$215.00

Freshmen, sophomores, unmarried students receiving grant-in-aid tuition assistance, and students working for the Uni-

versity are required to eat in the University Cafeteria. Charges for meals and methods of issuing tickets are subject to change at the beginning of any semester.

A charge is made for private lessons in applied music when such are elected and not specifically required by a particular course of study. For the charges, consult the Dean of the School of Music	

THE UNIVERSITY BOOKSTORE is planned to operate on a cash basis. An accounting fee of 5% (minimum 25¢) will be added when books and supplies are charged.

INFORMATION CONCERNING EXPENSES

Registration is not complete until all charges are paid or arranged for at the Business Office. When possible, payment in full prior to or at registration time is requested. If deferred payments are desired, arrangements must be made at least two weeks in advance of registration; a two per cent semester service charge is added to the deferred balance. Forms necessary to partial payment will be sent on request.

Delay in registration procedure may be avoided by payment of semester bills in full or from fifty per cent upward where partial payments have been agreed upon, but such arrangements must be completed at least two weeks prior to registration. The University has at times approved deferred payments of one third cash and the balance in monthly installments completed before the end of the semester.

A student should expect University expenses of approximately \$650 to \$700 per semester for tuition and general fees, room, and board.

Grades are not recorded and transcripts are not issued for students with delinquent accounts.

WITHDRAWALS

Students withdrawing within the first five weeks of a semester will receive tuition adjustments as follows:

During the first week 90%, up to and including two weeks 80%, between two and three weeks 60%, between three and four weeks 40%, between four and five weeks 20%. After five weeks of any semester no refunds will be made, except in cases of unavoidable necessity, such as illness or a call to military service, which circumstances must be authenticated by the student to the satisfaction of the Dean of Women or of Men.

DORMITORY REFUNDS

Students vacating residence halls after registration are charged a minimum of \$50.00. If the occupant is registered for more than ten days, the charge is \$5.00 per day up to the total rental for the semester.

KOREAN VETERANS

Veterans are expected to care for approximately \$200 of their semester's expenses at registration, since their first Veterans Administration checks will not arrive until about November 20 for the fall semester and February 20 for the spring semester. Monthly certifications of enrollment to the Veterans Administration will not be processed for veterans whose accounts are in arrears of deferred payment arrangements. This will result in the Veterans Administration making no additional payments to a veteran until the amount due the University is brought up-to-date.

HOUSING

Unmarried undergraduate women, freshmen and sophomore men, and all unmarried recipients of tuition, work or scholarship aid who do not live with their parents or guardians are required to room in University dormitories. Other unmarried undergraduates must live in places approved by the Dean of Women or Di-

rector of Men's Housing. Married students are admitted to the University and may live in the dormitories when rooms are available. The University reserves the right to require any student to live in a dormitory when this appears best for his welfare. Students who are eligible to live off campus should correspond with the Dean of Women or the Director of Men's Housing for assistance in finding satisfactory quarters. These arrangements should be completed well in advance of the student's arrival.

Residence Halls are closed during the Thanksgiving, Christmas, and Easter holidays; arrangements to remain on campus may be made with the Dean of Women or the Director of Men's Housing.

STUDENT AID

All student aid at Stetson University is based upon demonstration of financial need in addition to other factors. Therefore all applicants for aid, whether scholarship, grant-in-aid, loan, or employment must file the College Scholarship Service form of the College Entrance Examination Board and whatever supporting documents may be required with the Committee on Scholarship Awards. The forms may be obtained from the Committee or from the Admissions Office.

SCHOLARSHIPS

UNIVERSITY SCHOLARSHIPS. A limited number of full tuition scholarships are available each year to outstanding Florida high school graduates. They are awarded after a competitive examination held on Scholarship Day, usually in March. The awards are renewable annually for a total of four years, provided that the

recipient continues to demonstrate outstanding ability, scholastic achievement and contribution to life on the campus.

INTER-REGIONAL SCHOLARSHIPS. Scholarships similar to the above are available to high school graduates from states other than Florida.

VOLUSIA COUNTY HIGH SCHOOL SCHOLARSHIP. A similar half-tuition scholarship, renewable throughout the four years of the recipient's college work, is offered annually to an outstanding graduate of each of these high schools: DeLand, Seabreeze, Mainland, New Smyrna Beach, Pierson, and Seville.

ART SCHOLARSHIPS. One full tuition scholarship is awarded annually by Stetson to the winner in national competition conducted by Scholastic Magazine, 7 East 12th St., New York, N. Y. This competition is open to high school seniors.

The Florida Federation of Art conducts an annual competition among Florida high school seniors for a Stetson art scholarship. Apply to Miss June Ziegler, Scholarship Chairman, P. O. Box 2286, Sarasota.

Art scholarships are awarded for one year only and therefore are not renewable.

HIGHBAUGH FOUNDATION NATIONAL LAW SCHOLARSHIPS. Ten scholarships in the College of Law are available annually. For full information consult the *Bulletin* of the College of Law; application blanks may be obtained from the Dean of the College of Law.

THE MR. AND MRS. D. NIEL FERGUSON SCHOLARSHIP. Mr. and Mrs. D. Niel Ferguson of Ocala provide one full tuition scholarship in the School of Music for an outstanding student designated by the Dean of the School and the Committee on Scholarship Awards.

WILLIAM WALTER MANN SCHOLARSHIPS. The William Walter Mann Foundation gives six scholarships to the University annually in the amount of \$200 each. Students of superior character and ability are eligible for these awards.

THE F. H. McDONALD FOUNDATION gives aid in varying amounts toward the tuition of deserving young men and women from the Miami area.

THE JULIUS DAVIDSON SCHOLARSHIP in the School of Business consists of \$300 tuition grant awarded to an upper-class student on the basis of scholastic achievement, need, aptitude, character, and promise of leadership.

THE JOHN H. PERRY MEMORIAL SCHOLARSHIPS. An annual tuition grant of \$300 is provided by Mr. Julius Davidson, publisher of the *Daytona Beach News Journal*, to a junior who is majoring in journalism; the award may be continued through the recipient's senior year.

ALUMNI HONOR SCHOLARSHIPS. The United Stetson Alumni provide a limited number of half-tuition scholarships to entering freshmen who, as high school seniors, were elected to the National Honor Society or an equivalent honor society. A candidate is sponsored jointly by his high school principal and a Stetson alumnus residing in the applicant's community. The nomination is based primarily on potential leadership ability; applicants must show superior academic promise and be unable to attend Stetson without such financial assistance. These awards are renewable annually for a total of four years, provided that the recipient contributes significantly to campus life and continues to demonstrate outstanding academic ability.

THE E. M. REYNOLDS COMPANY SCHOLARSHIP provides a \$500 grant toward tuition for a deserving student each year.

FLORIDA STATE SCHOLARSHIPS FOR PROSPECTIVE TEACHERS. The State of Florida offers scholarships to students who plan to teach in the state. These grants are for \$400 a year and may be renewed annually for four years. The scholarships are open to high school graduates or college students who are residents of Florida; they are based on competitive examinations held in the fall and spring in the applicant's county seat or other designated place. Recipients agree to teach in the public schools of the state for a period equal to the duration of the scholarship. For further information write to Dr. Ray V. Sowers, Stetson University, consult the County Superintendent of Public Instruction, or write to the State Department of Education, Tallahassee.

DELAND ELKS MEMORIAL SCHOLARSHIP. DeLand Lodge No. 1463, B.P.O.E., in honor of its departed members, offers a four-year scholarship to a high school senior of DeLand, Seville, or Pierson. Outstanding character, scholarship, promise of leadership, together with financial need are taken into account in making an award.

Superior academic work is required of all recipients of scholarship or tuition aid. Unmarried recipients not living with their parents or guardians are required to room in the dormitories and to board at the University cafeteria. No student may receive scholarship or tuition aid from more than one source or fund.

Information concerning scholarships may be obtained from the Chairman, Committee on Scholarship Awards.

GRANTS IN AID

Information concerning the various forms of student aid listed below may be obtained from the Chairman, Committee on Scholarship Awards.

MINISTERIAL AID. Endorsed candidates for the Baptist ministry who are residents of Florida are eligible to apply for tuition aid. This is provided jointly by the University and the churches of the Florida Baptist Convention upon demonstration of need. Ministerial students of other denominations in Florida and Baptist ministerial students from other states may be granted aid upon evidence of need and of academic achievement. *All applications for ministerial aid must be received by the Committee on Scholarship Awards not later than one month prior to the beginning of the semester.*

Minor sons and daughters of Christian ministers serving Florida churches may be aided to the extent of one-half their tuition upon evidence of financial need. Wards of the Baptist children's homes at Lakeland and Jacksonville and of the Methodist home at Enterprise may be aided upon demonstration of need.

AID TO KOREAN VETERANS. A limited number of students attending the University under Public Law 550 (the Korean G.I. Bill) may receive grants in aid in the amount of \$75 per semester upon evidence of need, academic achievement, and potential leadership.

CHURCH LEADERSHIP TUITION GRANT. The University joins equally with any one Baptist church in each association of the Florida Baptist Convention in providing full tuition to a student selected and endorsed by his church and association as possessing unusual capacity as a lay leader. Applicants must show marked academic promise and be unable to attend Stetson without such financial assistance. These awards are renewable annually for four years if the recipient continues to demonstrate outstanding ability, scholastic achievement, and to make a significant contribution to campus and church. The recipient's service to the University and to a DeLand church will be reported regularly to his home church.

THE DAVIS BROTHERS FUND. Mr. A. D. Davis, President of Winn and Lovett Grocery Company, Jacksonville; Mr. Tine W. Davis, President of Economy Wholesale Grocery Company; Mr. Austin Davis, President of Steiden Stores, Louisville; and Mr. James E. Davis, Executive Vice President of Winn and Lovett Grocery Company, Jacksonville, provide annually a sum of \$600 for the assistance of students whose scholarship, character, economic need, and potential promise are considered by a special Committee. Awards are restricted to students who have resided in Florida, Georgia, or Kentucky for ten years previous to entering Stetson and who intend to make their permanent home in these locations.

FLORIDA WOMAN'S MISSIONARY UNION TUITION GRANT. The Florida Woman's Missionary Union has made available funds to meet the tuition costs of a senior woman student who intends to

serve as a Christian missionary at home or abroad. Any member of a Florida Baptist Church may apply during her junior year. The award is based on need, personality, activity in religious affairs and sincerity of purpose.

THE FRED SMITH STUDENT ASSISTANCE FUND to aid worthy music students is administered by the Dean of the School of Music, with preference given to voice students recommended by the head of the voice department.

GRANTS IN AID FOR FOREIGN STUDENTS. Students from foreign countries may be awarded tuition grants in aid; they should communicate with the Committee on Scholarship Awards.

VOCATIONAL REHABILITATION SERVICE OF THE STATE DEPARTMENT OF EDUCATION. Various types of assistance are provided by this agency to persons who are handicapped. Applications should be addressed to the Vocational Rehabilitation Service, State Department of Education, Tallahassee. Students who receive this assistance may be considered for tuition aid.

EMPLOYMENT

Work on campus is available to a limited number of students. The amounts that may be earned vary with the type of employment and the time available and the applicant's financial need. Students should not plan to cover their total expenses in this manner. Correspondence should be addressed to the Committee on Employment.

A C average is required of all recipients of student aid and all students employed by the University. All unmarried recipients of student aid and students employed by the University not living with their parents or guardians are required to room in the dormitories and to board at the University Cafeteria. No student may receive tuition aid of more than one kind.

LOAN FUNDS

Several of the benefactors of the University who are named on previous pages of this Catalogue have given substantial loan funds for students. In addition, the Andrew Jacob Mosteller Fund provides adequate resources whereby students otherwise unable to complete their education may do so. Application should be made to the Committee on Student Loans.

THE DAVIS LOAN FUND, established by Mr. and Mrs. C. B. Davis of Orlando, is intended primarily for students from the First Baptist Church of that city but is also available to those who have dedicated their lives to positive Christian investment in the professions.

PRIZES

THE HARRY L. TAYLOR PRIZE IN THE HUMANITIES. Full tuition for one year and a cash award of two hundred fifty dollars are given to the junior submitting the best essay on a selected subject in the humanities.

THE ACADEMIC COUNCIL CLASS AWARDS are given annually in June to the two students in the sophomore and junior classes of the College of Liberal Arts, the School of Music and the School of Business whose academic rank is highest in their respective classes. Each winner will receive a certificate of recognition, and, to the degree warranted by his financial need, a tuition grant the maximum amount of which may be \$600.

THE BORDEN FRESHMAN PRIZE of \$200, provided by the Borden Company Foundation, is awarded annually to the freshman achieving the highest academic rank.

THE WALTER L. HAYS PRIZES. A first prize of two hundred dollars and a second prize of one hundred dollars are offered by Mr. Walter L. Hays for the best addresses on free enterprise and the American way of life.

THE JANET HOWARD TAYLOR SHAKESPEARE PRIZE. An annual award of fifty dollars is offered to the student who presents the best essay dealing with the times, plays, or contemporaries of Shakespeare.

THE SAM R. MARKS PRIZES IN RELIGION. A first prize of one hundred dollars, a second prize of fifty dollars, and a third prize of twenty-five dollars are offered in annual competition for the best two presentations of a selected subject by a ministerial student or by a student majoring in the department of religion.

THE JEANNETTE THURBER CONNOR PRIZE. A prize of twenty-five dollars is offered for the best essay on some aspect of Florida history.

Information concerning all prizes may be obtained at the Office of the Dean of the University.

STUDENT CONDUCT

Students are expected to conduct themselves with dignity and respect for the regulations of the University both on campus and off; violation is ground for disciplinary action. Men and women who break University regulations together share responsibility and are subject to equivalent penalties. The purchase, possession, or use of alcoholic beverages is forbidden. Students may bring automobiles to college but their use is subject to University regulation. A student who marries must notify the administration in advance; failure to comply is ground for suspension; approval will be granted upon request from parents or guardians and after plans have been cleared with the Dean of Women or of Men. Detailed regulations together with definitions of conduct probation, social probation, conduct suspension, etc., are published in the *Student Handbook* and by the Deans of Women and Men. Entrance into the University indicates agreement to abide by the regulations.

All students must file with the Registrar the name and address of the person with whom the University will communicate

in case of emergency. *It is the student's continuing responsibility to keep this address current.*

THE CATALOGUE

The provisions of this *Bulletin* are not to be regarded as an irrevocable contract. The Trustees and the Faculty reserve the right to modify, revoke, or add to University regulations at any time.

College of Liberal Arts

DIVISION OF HUMANITIES

This Division includes the Departments of Art, Modern and Classical Languages, English, Philosophy, Religion, and Speech, and the interdepartmental program in Arts and Letters. These seek to bring about fuller, richer living, the stimulation and satisfaction of the appreciation of beauty, the cultivation of sound judgment, and the development of skills in humane communications. The humanities emphasize the experiences, the values, and the principles on which to found the best life. A major is offered in each of the seven areas within the Division.

DIVISION OF NATURAL SCIENCES

The Departments included in this Division are Biology, Chemistry, Engineering, Mathematics and Physics. Its objectives are to acquaint the student with the laws of nature, to provide training in the scientific method, to afford the opportunity for study of the natural sciences in a Christian atmosphere, and to offer a sequence of courses that will provide basic professional training in the natural sciences and pre-professional training in medicine, dentistry, and laboratory technology.

In addition to the general University requirements, a candidate for the B.S. degree in one of the laboratory sciences must present thirty hours in that department, ten hours in mathematics (Ms105-106), and ten hours in a second laboratory science.

For a major in mathematics the candidate must satisfy the general University requirements for the B.S. degree, present thirty hours in his major, and Ps101, 102 in lieu of G7, 8.

Students who major in any department in this division are advised to take French or German. G7,8 and/or G9,10 may be waived when other courses in these subjects are required for the major. Upon the recommendation of the major professor and with the approval of the Dean of the College of a special program of studies, the A.B. degree may be earned in this Division.

PRE-MEDICAL AND PRE-DENTAL CURRICULUM. During recent years there has been an increasing tendency on the part of medical colleges to raise their entrance requirements. Many now require the Bachelor's degree as a prerequisite—the American College of Surgeons makes such a degree a definite requirement of its fellows. In general, medical schools require a minimum of ninety semester hours and dental schools require sixty. All schools be-

longing to the Association of American Medical Colleges specify that the following be included in the above requirement: English, six hours; general biology or zoology, eight hours; general chemistry, eight hours; organic chemistry, eight hours; physics, eight hours. Most approved schools require or strongly recommend the following in addition: comparative anatomy, embryology, analytical chemistry, physical chemistry, and a reading knowledge of French or German. Medical schools generally advise against taking such subjects as physiological chemistry, bacteriology, anatomy, and histology, but urge the student to complete his requirements in the social sciences and humanities. *Students planning to enter medical or dental schools should consult the catalogues of the schools they desire to attend for guidance.* The Medical College Admission Test is given at Stetson twice a year, usually in May and November.

PRE-LABORATORY TECHNOLOGY COURSE. The University provides training for those students who plan to take a graduate degree in medical technology. Work is also offered to prepare students for medical technology courses in those schools and hospitals which require only two years of college work. A Bachelor of Science degree and at least one year of graduate work is advised for students interested in this field, since positions in research laboratories and hospitals require the best preparation.

The course of study is similar to pre-medical preparation; each student should include in his work some physiology and bacteriology. The details of each program will be worked out with the Chairman of the Division. When possible it is desirable to plan the course with a clear understanding of the requirements of the graduate school at which the student plans to do further work.

COMBINATION COURSE FOR NURSES. This course is offered for those who wish to enjoy the cultural and scientific advantages of university training in addition to professional training. The work provides foundation studies for teaching and supervising in a school of nursing. Six years are needed to complete the course. The first two years must be spent at Stetson or at another accredited college or university. At the end of the second year, the student enters an approved school of nursing. Upon graduation (a three-year course), she re-enters Stetson. Her program of studies for this final year is planned in consultation with her adviser to complete graduation requirements. The Bachelor of Science degree is awarded for this course.

DIVISION OF SOCIAL SCIENCES

This Division includes Economics, Geography, History and Political Science, and Sociology. Journalism is administered by this Division. Study of the social sciences should guide the student toward an understanding of the bases and functioning of modern society and should help him to think realistically about

social change and improvement. The several subject fields included in this Division cover a wide range of human experience, but they have an essential unity, utilize similar methods of approach, and share common objectives. A major is offered in the Division as well as in each of its departments. The group or divisional major comprises eighteen hours in one department, twelve in a second, and nine selected from the remaining social sciences.

DIVISION OF EDUCATION

RAY V. SOWERS, *Director of Teacher Education*

Teacher Education, Psychology, Health and Physical Education, Internship and Field Service are included in this Division. From its beginning Stetson University has stressed professional training for teachers. This emphasis has been reinforced through the organization of Saturday and evening classes, the enlargement of summer session work, and the changes made in the curriculum to accommodate the internship program. The program of teacher education set forth here is designed to meet the requirements of Stetson University for graduation and those of the Florida State Board of Education for certification in both the elementary and secondary fields without further examination.

Florida certification requires not less than forty-five semester hours of general preparation, a minimum of twenty hours of professional preparation including internship or practice teaching, and from twelve to thirty-six hours in the field of specialization. The general education courses required of all students for graduation (see pp. 67-68) meet the general preparation requirement. *Students planning to become teachers should consult the Director early in their courses.*

MEETING PROFESSIONAL PREPARATION REQUIREMENT. Below are indicated certain courses offered at Stetson University which have been selected to meet professional preparation requirements of the State Department of Education. It is considered best practice that these courses be taken during the junior and senior years, terminating in the internship preferably the first semester of the senior year. It is important that this order be observed by all prospective teachers.

PROFESSIONAL COURSES REQUIRED FOR ALL TEACHERS

1. Foundations of Education—Required: six semester hours
 En245—Social Foundations of Education
 En309—Educational Psychology or En316—Child Psychology. Psychological Foundations of Education.
2. Teaching in the Public Schools—Required: six semester hours
 En429—Teaching in the Public Schools (given during the first half of the semester in which the student interns)

3. Special Methods—Required: three semester hours
For elementary teachers: En325—Language Arts
For secondary teachers: En332—Special Methods in the
Secondary School (or special methods courses provided in other departments)
4. Practical Experience—Required: ten semester hours
En430—Internship

AREA OF SPECIALIZATION

1. Elementary—Required: twenty-seven semester hours
En323—Teaching Science in the Elementary School
En324—Children's Literature or En333—Materials of Instruction
En326—Teaching Social Studies in the Elementary School
Hpe305—The Teaching of Physical Education in the Elementary School
En335—Public School Art
En336—Public School Music
Hpe419—Methods and Materials of Health Education
One course in geography
One elective
2. Secondary—Specialization in subject matter fields for the secondary schools will follow requirements set forth in certification regulations of the State Department of Education.

THE PLACEMENT OF TEACHERS

It is the policy of the University to try to place its graduates in positions for which they are properly trained and fitted by scholarship and personality. The very large percentage of Stetson teachers placed in Florida schools and elsewhere in the past evidences a fine spirit of cooperation between the University and the public schools.

DIVISION OF GRADUATE STUDIES

WILLIAM HUGH MCENIRY, JR., *Chairman of the Graduate Council*

The graduate degrees Master of Arts and Master of Science are awarded by the College of Liberal Arts upon completion of the appropriate courses of study in the following departments: Biology, Chemistry, Economics, Education, English, History and Political Science, Religion, and Sociology. Graduate study is under the supervision of the Graduate Council.

Application for admission to graduate study is made on a form provided by the Office of the Chairman of the Graduate Council. This form is required in addition to the credentials requested for admission to the University.

All forms must be completed, and admission to the Graduate Division granted, prior to the semester in which the student begins his work for the advanced degree.

A baccalaureate degree from an accredited college or university is required of applicants. Transcripts of all undergraduate credits must be filed with the application. These transcripts and the supporting recommendations must present evidence of sufficient and satisfactory undergraduate preparation and of desirable character and personality.

The Graduate Record Examination is required and must be taken during the first term in residence if not completed before entrance.

The maximum class load is fifteen semester hours. The Council reserves the right to reduce the load for those who for any reason might endanger their standing by attempting the maximum. No in-service teacher may register for more than three semester hours in one term.

At the beginning of his study, the candidate must have his program approved by the heads of the departments in which he plans to work and by the Chairman of the Council. Usually the courses are chosen from two departments. Not fewer than eighteen hours may be in the major subject; not less than six in the minor. When the minimum eighteen hours are undertaken in the major, there may be an associated minor and an independent minor.

Each candidate must complete a minimum course of thirty semester hours. A thesis satisfies the requirement in the amount of six semester hours. If the student, with the approval of his major professor, elects not to write a thesis, he must present one research paper for approval in addition to the thirty hours. At the time of the applicant's acceptance for graduate study, he will be notified of any additional hours required of him above the thirty-hour minimum. The major professor determines what the additional courses must be.

Admission to study does not imply admission to candidacy for a degree, which is granted only upon completion of one semester at Stetson, written recommendation of the major professor, and approval of the Graduate Chairman.

One academic year in residence is required. The Council defines a year of residence as two semesters on campus, regardless of the amount of work taken. Saturday and evening sessions are credited as one-fourth semester each. All students must spend one regular session in residence (fall semester, spring semester, or full-length summer session). The work for the degree ought to be completed within two years; it must be finished within six years.

A maximum of six semester hours earned elsewhere may be transferred to Stetson provided they are approved by the major professor and the Graduate Chairman. Transferred credit shall not reduce the required year of residence.

A reading knowledge of a modern foreign language may be required by the major department. A student who plans to take a doctorate should keep in mind that a reading knowledge of French and German is an almost universal minimum requirement.

Grades for graduate students are H, Honors; S, Satisfactory; and UC, UD, UF, Unsatisfactory. The Satisfactory grade denotes entirely acceptable work and approximates the undergraduate grades A and B. The Honors grade signifies exceptional performance. The Unsatisfactory grade indicates the undergraduate level of performance.

The candidate who writes a thesis must submit two copies for binding. One copy is presented to the professor who directs the research; the other is deposited in the University Library. The thesis must be ready for binding prior to time of the oral examination. A fee of \$10.00 is required to bind two copies; the student may have additional copies bound at his expense.

Each candidate must pass an oral examination covering the thesis, and the fields of his graduate study together with general knowledge appropriate to mastery of his field. Preliminary to the oral, the major department may require a comprehensive written examination. Prior to the oral, typewritten briefs of transferred courses together with an abstract of the thesis, or research paper, must be filed with the Graduate Chairman. Six copies are required.

EXECUTIVE DEVELOPMENT PROGRAM

JOHN COPPS, *Director*

Students completing the Program will be awarded the degrees Bachelor of Arts and Master of Arts, together with a certificate to denote the special circumstances under which the degrees were earned. The Department of Economics and the Graduate Council administer the work.

In addition to meeting the general requirements of the College of Liberal Arts, the student, in consultation with the Director, will plan a course of study in the fields of economics and business administration. The undergraduate major need not be in economics; the student may choose to major in other fields, with special recognition given to other social sciences and to the physical sciences.

The purpose of the Executive Development Program is to provide an opportunity for qualified young people who contemplate careers in industry, though they may choose to do their major undergraduate work in fields other than business administration, to learn the principles and insights that produce effective management today, and to equip themselves for eventual leadership in industrial society. The program is based upon a recognition that industry today is searching for young people who first of all possess certain high qualities of mind, personality, and

motivation, and who have acquired the breadth of understanding that characterizes the liberally educated student.

The core of the Program consists of a senior reading seminar (Es 495, 496), a graduate research seminar (Es 505, 506), and certain additional work in economics and business administration scheduled according to the individual needs and interests of the student. The case study approach characterizes particularly the graduate seminar. In addition, the seminar student will engage in field research in business problems, and participate in conferences with businessmen from important Florida industrial areas. The student must display effective research ability and will be judged heavily by the quality of his oral and written reports.

Students may choose to complete the Program in either four or five years. The four-year program requires the student to complete his undergraduate program, not in the standard eight semesters, but in six semesters, plus three summer school sessions. The fourth year, then, is spent in graduate study.

Admission to the Executive Development Program will depend upon the qualities of the applicant, and will be granted upon completion of the equivalent of two years of college work. Beginning students who feel that they have an interest in the Program should arrange to discuss it with the Director during their first semesters.

It is anticipated that each member student will benefit, in terms of finding a position in industry upon graduation, from direct contacts that he will have had with businessmen, and from the relationship that the Program establishes with important industries throughout the nation.

Courses of Instruction

EXPLANATION OF COURSE NUMBERS AND SYMBOLS

Courses in the various Schools and Divisions are designated by the following symbols:

American Studies	As	Health and Physical	
Art	At	Education	Hpe
Arts and Letters	Al	History	Hy
Astronomy	Ay	Journalism	Jm
Biology	By	Latin	Ln
Business Administration	Bn	Mathematics	Ms
Chemistry	Cy	Military Science and Tactics.....	My
Economics	Es	Music	Mc
Education	En	Philosophy	Py
Engineering	Eg	Physical Education Activities.....	Pn
English	Eh	Physics	Ps
French	Fh	Political Science	Pe
General Education	G	Psychology	Psy
Geology	Gly	Religion	Rn
Geography	Gy	Secretarial Science	Se
German	Gn	Sociology	Sy
Greek	Gk	Spanish	Sh
		Speech	Sp

Courses numbered 000 are non-credit courses designed to prepare students whose preparation is inadequate for university work. Other numbers show the year intended: *Lower Division*—100 and 200 courses; *Upper division*—300 and 400 courses; courses numbered 500 and above are for graduate students.

The numbers in brackets following the title of the course indicate the amount of credit and the sequence:

- (3-3) Straight year course, first semester prerequisite to second, no credit for first without second semester.
- (3, 3) First semester prerequisite to second, but credit given for first without second.
- (3) (3) Credit given for either semester separately.
- (3) Single semester course.

INTERDEPARTMENTAL MAJORS

AMERICAN STUDIES

JOHN HAGUE, *Director*

In addition to the general University requirements, a major program must include the American Studies courses listed below, and the following courses in the humanities and social sciences. Humanities: Eh 301, 302, American Literature, (6 hours); Social Sciences: Sy 403, Methods of Social Research, (3 hours). Each student will take an additional 6 hours both in the humanities and social sciences.

Each student will also select 9 hours from a selected list of related courses. These must define a particular area of interest and be approved by the director.

In order to qualify for the American Studies Program, a student must have completed Hy 203, 204, American History, and one other introductory course in the social sciences by the end of his junior year.

The American Studies Program is an interdivisional program, and the courses in the elective list as well as in the required list cut across the divisions of the college. The students who study in the Washington Semester program may use credits earned in Washington toward an American Studies major.

Special programs exist for pre-ministerial students and education students seeking certification in the broad field of social science. These students should confer with the appropriate departmental chairman as well as the Director of American Studies.

As361, 362 HERITAGE OF AMERICAN CULTURE (3, 3).

Forces, ideas and people who have shaped American culture; emphasis on interrelationship of technology, people, institutions and values. Prerequisites: Hy 203, 204.

AS461 SEMINAR: THE AMERICAN NATIONAL CHARACTER (3). Problem of national character; impact of Americanism on world opinions and beliefs. Prerequisite: Permission.

AS462 SEMINAR: LEADERSHIP AND SOCIAL CHANGE (3). Leadership in religious, economic, social, and political areas. Special emphasis on contributions of particular leaders. Prerequisite: Permission.

ARTS AND LETTERS

JOHN HICKS, *Director*

The arts and letters program offers an interdepartmental major in the area of the humanities, stressing relationships between literature, the arts, and the cultures of which they are a part. A student majoring in arts and letters is encouraged to add a concentration of courses in a related department. Adjustments are made to suit the needs of prospective teachers preparing for certification in the secondary fields.

In addition to the general University requirements, the Arts and Letters major must include forty-two hours from courses listed following: 20th Century Arts and Letters, 19th Century Arts and Letters, Renaissance Arts and Letters, Classical Arts and Letters, Oriental Arts and Letters (12 to 18 hours); philosophy and religion, literature in English, literature in foreign languages, music, visual arts, speech, history (6 hours minimum must be taken in each of 3 groups, or 9 hours minimum in each of 2

groups); laboratory course in a creative art (3 hours); Humanities and Religious Values (3 hours); senior seminar in Philosophy of the Arts (3 hours).

Students planning to be certified in secondary education will have their programs arranged in consultation with their advisers.

Al351, 352 TWENTIETH CENTURY ARTS AND LETTERS (3, 3). Main currents in several art forms; their relationships to each other and to intellectual and cultural issues. Prerequisite: G 11, 12, or equivalent.

Al353, 354 RENAISSANCE ARTS AND LETTERS (3, 3). Literatures and arts from 1300 to 1600; their historical and cultural relationships. Prerequisite: G 11, 12, or equivalent.

Al355, 356 NINETEENTH CENTURY ARTS AND LETTERS (3, 3). Romanticism and Realism in late Eighteenth and Nineteenth Centuries; their historical and cultural relationships. Prerequisite: G 11, 12, or equivalent.

Al361, 362 CLASSICAL ARTS AND LETTERS (3, 3). Arts and literatures of classical Greece and Rome; their relationships to each other and to the cultures in which they flourished. Prerequisite: G 11, 12, or equivalent.

Al363, 364 ORIENTAL ARTS AND LETTERS (3, 3). Prerequisite: G 11, 12, or equivalent.

Al371 HUMANITIES AND RELIGIOUS VALUES (3). Relationships of meaning and value between the arts and religion; their mutual relevance in selected epochs. Prerequisite: G 11, 12, or equivalent.

Al402 PHILOSOPHY OF THE ARTS (3). Senior Seminar. Problems of creativity, appreciation, relationship, and value in the arts, including literature. Prerequisite: one Al course or permission.

Al485, 486 INDEPENDENT STUDY (3, 3).

HOME AND FAMILY LIFE

MELVIN WILLIAMS, *Director*

This program is designed to provide students with the general knowledge and basic principles upon which they may build happy and successful marriages and homes, and to prepare them for responsible parenthood and community participation. Conferences with physicians, dieticians, geneticists, and family counselors will be arranged for majors in this field. A limited number of field trips will be made available to familiarize students with community agencies.

In addition to the general requirements of the University, majors in Home and Family Life will be required to present

fifty-two hours distributed through the four areas outlined following:

1. **GENERAL (20 hours)**
Biology and Health (5-7 hrs.): By 201, 302, 410, En 421, Hpe 201
Psychology and Sociology (6 hrs.): Psy 101, 404, Sy 101, 105, 401
Philosophy and Religion (3 hrs.): Py 204, 302, 307, Rn 317, 408
Education and English (0-3 hrs.): En 324, 406, Eh 201, 202
Economics and Political Science (3-6 hours); Es 201, 222, Pe 301, 303, 304
2. **MARRIAGE AND FAMILY RELATIONS (9 hours)**
Sociology: Sy 207, 305, 406
Psychology: Psy 426
3. **SKILLS AND TECHNIQUES (9 hours)**
Art and Engineering (6-9 hrs.): At 215, 216, 301, 302, Eg 103, 104
Business Administration and Education (0-3 hrs.): Bn 222, En 333
4. **HOME AND COMMUNITY RESPONSIBILITIES (12 hours)**
Sociology (3-6 hrs.): Sy 302, or 303, 345, or 347
Psychology (3-6 hrs.): Psy 316, 410
Education and Health (3-6 hrs.): Hpe 308 or En 420, Hpe 312

SOCIAL WORK

MELVIN WILLIAMS, *Director*

This major is designed to prepare students for graduate study in social work. It furnishes a broad, liberal background to allow the student to explore the fields in which he will later specialize.

Class work will be supplemented by special lectures to be given by specialists in social service administration, social case work, social group work, and community organizations. Field trips will be made available to give students first hand insights into the work of various agencies, and into the resources of differing types of communities. Wherever possible students will be aided to gain further experience as volunteer workers during vacations, or as participants in workshops specifically planned for them.

In addition to the general University requirements, a major program must include fifty-three hours distributed in the three areas outlined following.

1. **GENERAL (32-35 hours)**
Biology (3-7 hrs.): By 302, 410
Speech (3 hrs.): Sp 301, 328, 405
Education (0-3 hrs.): En 245, 410
English and Journalism (2-6 hrs.): Eh 205, 307, 323, Jm 101
Economics (0-6 hrs.): Es 113, 201
History and Political Science (6-9 hrs.): Hy 204, Pe 301, 303, 304
Psychology (6-9 hrs.): Psy 101, 316, 410
Philosophy and Religion (3-6 hrs.): Py 301, 307, 407, Rn 302, 310, 317, 325, 332, 408
Sociology (6-12 hrs.): Sy 101, 207, 215, 305, 312
2. **SOCIAL CONDITIONS (15-18 hours)**
Economics (3 hrs.): Es 222, 352
Education and Psychology (3-6 hrs.): En 420, Psy 404, 412
Health, Physical Education and Recreation (3 hrs.): Hpe 307, 308, 312
Sociology (6-9 hrs.): Sy 302, 303, 307, 345, 347
Speech (0-3 hrs.): Sp 451
3. **METHODS OF INVESTIGATION (3-6 hours)**
Economics: Es 334
Psychology: Psy 305
Sociology: Sy 403

Certain of these courses may be required by the directing professor.

DEPARTMENTAL MAJORS

ART

LOUIS AND ELSIE FREUND, *Artists in Residence*

SARA EDITH HARVEY, *Professor*

M. DALE SUMMERS, *Assistant Professor*

In addition to the general requirements of the University, thirty semester hours are required for a major in the department, including the following courses: 102 (this course or its equivalent is a prerequisite to all other studio courses), 105, 106, 211, 212, and two semesters of art history.

At101 ART APPRECIATION (3). Fundamental principles governing art in its various forms: art in the home, textiles, pottery, industrial and civic art; architecture, sculpture, painting.

At102 INTRODUCTION TO ART (3). Design and representation presented in lectures and studio practice. Practical problems

of the visual artist. Prerequisite to courses in drawing, painting, or design. Fee \$6.00.

At105, 106 DRAWING, PAINTING, AND COMPOSITION (3, 3). Introduction to drawing, painting and composition: still life, landscape and figure, with a variety of mediums. Prerequisite: At102 or its equivalent. Fee \$6.00 per semester.

At211 PRINCIPLES OF DESIGN (3). Exercise and experimentation in various media and materials. Fee \$6.00 per semester.

At214 THREE DIMENSIONAL DESIGN (3). Discovering the design fundamentals of the three dimensional arts by working with various types of sculptural materials. Fee \$8.00.

At215, 216 ARTS AND CRAFTS (3, 3). A survey of arts and crafts activities in an educational program; weaving, ceramics, textile printing processes, minor crafts; jewelry and metalwork. Fee \$16.50 per semester.

At301, 302 HOME FURNISHINGS (3) (3). Fundamentals: design, color harmony, textiles, floor coverings, wall treatments. Modern and period furnishings. Student projects.

At305, 306 DRAWING, PAINTING, AND COMPOSITION (3, 3). An advanced course with attention to current trends. Prerequisite: At105, 106. Fee \$6.00 per semester.

At309, 310 FASHION ILLUSTRATION (3, 3). The essentials of fashion art, including materials, methods, and techniques. Original costumes in various mediums designed by the students. Prerequisite: At105, 106. Fee \$6.00 per semester.

At311, 312, 313 ART HISTORY (3) (3) (3). Architecture, painting, and sculpture from the earliest times, and the relationship of art to the civilization that produced it. Ancient and medieval, renaissance, and modern periods.

At 315 ADVANCED CRAFTS (3). Prerequisite: At 215, 216. Fee \$16.50.

At327, 328 PRINCIPLES OF COMMERCIAL ART (3, 3). Lettering and layout, package design, display advertising, advertising design. A portfolio of the best work is collected. Fee \$6.00 per semester.

At335 ART EDUCATION FOR THE ELEMENTARY GRADES (3). For description see En335. Fee \$6.00.

At345 ART EDUCATION FOR THE SECONDARY SCHOOLS (3). For description see En345. Fee \$6.00.

At351, 352 TWENTIETH CENTURY ARTS AND LETTERS (3, 3). Main currents in the several art forms; their interrelationships; their connections with intellectual and cultural issues. Prerequisite: G 11, 12 or equivalent.

At402 PHILOSOPHY OF THE ARTS (3). For description see Al402.

At405, 406 PAINTING AND COMPOSITION (3, 3). Emphasis on mural and portrait painting. Prerequisite: At305, 306. Fee \$6.00 per semester.

At485, 486 INDEPENDENT STUDY (3, 3).

BIOLOGY

A. M. WINCHESTER, ELMER C. PRICHARD, *Professors*

DOROTHY L. FULLER, *Associate Professor*

KEITH HANSEN, *Assistant Professor*

The requirements for a major in biology leading to the B.S. degree are those stated on pp. 42-43 for the Division of Natural Sciences. The A.B. degree may be earned in biology by completion of twenty-four hours in the department beyond G9, 10 or By101, together with twenty-four hours in the social sciences to be selected in conference with the adviser to form a coherent program. G9, 10 or By101 is prerequisite to advanced work.

By101 GENERAL ZOOLOGY (5). Study of animal life in phylogenetic sequence; principles of genetics, embryology, and adaptation. For major students and others exempt from G9, 10. Credit will not be given for both G9, 10 and By 101. Three hours lecture and four hours laboratory per week. Fee \$10.00.

By102 GENERAL BOTANY (5). Basic principles of plant life as illustrated by structure, physiology, classification and genetics. Three hours lecture and four hours laboratory per week. Fee \$10.00.

By201 HUMAN ANATOMY AND PHYSIOLOGY (4). Principles of human physiology and anatomy; laboratory work on the anatomy of a small mammal, the human skeleton, manikin, and models. Physiological experiments on various subjects. Two hours lecture and four hours laboratory per week. Fee \$10.00.

By301 BACTERIOLOGY (5). Bacteria and related micro-organisms, their economic importance and relation to disease. Methods of handling, growing, and identification of important bacteria together with the physiological reactions they produce on artificial media. Two hours lecture and six hours laboratory per week. Fee \$10.00.

By302 GENETICS (4). Principles of heredity with particular emphasis on the human. Laboratory includes crossing of fruit flies as an illustration of the mechanism of heredity. Some attention to eugenics. Three hours lecture and two hours laboratory per week. Fee \$10.00.

- By303 COMPARATIVE VERTEBRATE ANATOMY (5). Comparative study of the organ systems of selected vertebrates with special reference to their phylogenetic relationships. Two hours lecture and six hours laboratory per week. Fee \$10.00.
- By304 VERTEBRATE EMBRYOLOGY (4). Maturation of reproductive cells, fertilization, cleavage, and the development of the principal organs of selected vertebrate types. Laboratory work on the early embryonic stages of the frog, chick, and rabbit; the later embryonic stages of the pig. Two hours lecture and four hours laboratory per week. Fee \$10.00.
- By305 PLANT TAXONOMY (4). External morphology, identification, classification, collection, preparation of herbarium specimens, and phylogenetic position of representative families of flowering plants of the area. Two hours lecture and four hours laboratory per week. Prerequisite: By 102. Fee \$10.00.
- By306 INVERTEBRATE ZOOLOGY (4). Morphology and taxonomic relationships of invertebrate animals. Two hours lecture and four hours laboratory per week. Fee \$10.00.
- By308 PLANT ANATOMY (4). Development and structure of roots, stems, and leaves of vascular plants. Emphasis on woody plants. Two hours lecture and four hours laboratory per week. Prerequisite: By 102. Fee \$10.00
- By401 HISTOLOGY AND CYTOLOGY (5). Histological study of vertebrate tissues; cell structure with particular emphasis on the chromosomes. Prerequisite: Eight hours of biology. Two hours lecture and six hours laboratory per week. Fee \$10.00.
- By402 HISTOLOGICAL TECHNIQUE (3). Preparation of tissue for microscopic study; methods of killing, fixing, embedding, sectioning, and staining different types of tissue. Four hours laboratory per week. Prerequisite: By 102. Fee \$10.00.
- By403 PARASITOLOGY (4). Animal parasites and method of spread. Particular attention to parasites of man and other higher animals. Prerequisite: Four hours of advanced biology. Two hours lecture and four hours laboratory per week. Fee \$10.00.
- By404 ENTOMOLOGY (3). Structure, habitat, classification, pathogenic relationships, and economic importance of insects. A collection of insects is made. One hour lecture and four hours laboratory per week. Fee \$10.00.
- By405 GENERAL ECOLOGY (4). Terrestrial and freshwater biotic communities. Recognition of common animals and plants forming these communities. Class work on general ecological principles. One hour lecture and six hours field or laboratory per week. Prerequisite: Eight hours of advanced biology. Fee \$10.00.

- By406** SELECTED TOPICS IN BIOLOGY (2). Broad principles and theories of biology; biogenetic law, plant and animal migration, interrelation of species, evolution, cell doctrine, etc. Prerequisite: Eight hours of advanced biology. Two hours lecture per week.
- By410** EUGENICS (2). Biological and social forces in relation to heredity. By201 and 302 are recommended as preparation.
- By485, 486** INDEPENDENT STUDY (3, 3). Prerequisites: Sixteen hours of biology and permission. Fee \$10.00.
- By501, 502** BIOLOGICAL RESEARCH (3, 3).
- By555, 556** THESIS (3, 3).

CHEMISTRY

JOHN F. CONN, JOHN V. VAUGHEN, *Professors*
THEODORE W. BEILER, *Associate Professor*

For a major in chemistry, Ms301, 302 are required in addition to the Divisional requirements stated on pp. 42-43.

- Cy101, 102** GENERAL CHEMISTRY (5-5). Fundamental laws and theories of chemistry; properties of a number of common elements and their compounds. Contributions of chemistry to modern life. Prerequisite to all advanced courses. Three hours lecture and recitation and four hours laboratory per week. Fee \$10.00 per semester.
- Cy201** QUALITATIVE ANALYSIS (3). Introduction to the theories and procedures of qualitative analysis; separation and identification of both acid and metallic radicals. One hour lecture and four hours laboratory per week. Fee \$10.00.
- Cy202** QUANTITATIVE ANALYSIS (3). Elementary quantitative analysis, utilizing volumetric methods in acidimetry, alkalimetry, oxidation and reduction, iodimetry and precipitation. Prerequisite: Cy201. One hour lecture and four hours laboratory per week. Fee \$10.00.
- Cy301** QUANTITATIVE ANALYSIS (3). Gravimetric methods of analysis of simple compounds and some of the more complex substances, including ores and cement. Prerequisite: Cy201. One hour lecture and four hours laboratory per week. Fee \$10.00.
- Cy303, 304** ORGANIC CHEMISTRY (4, 4). Introduction to the study of carbon compounds, their properties and methods of preparation. Type reactions are stressed. Two hours lecture and four hours laboratory per week. Fee \$10.00 per semester.

- Cy401, 402 **PHYSICAL CHEMISTRY** (4, 4). Theories of modern physical chemistry. Special attention to chemical kinetics, colloidal phenomena, the ionic theory, electro-chemistry, and the phase rule. Prerequisite: Cy201. Two hours lecture and four hours laboratory per week. Fee \$10.00 per semester.
- Cy407, 408 **ADVANCED ORGANIC CHEMISTRY** (3, 3). Modern theories of structure and interpretations of organic reactions. Prerequisites: Cy303, 304.
- Cy411, 412 **QUALITATIVE ORGANIC ANALYSIS** (2, 2). Identification of pure organic compounds, separation of mixtures and identification of their components. Prerequisites: Cy303, 304. Four hours laboratory per week. Fee \$10.00 per semester.
- Cy485, 486 **INDEPENDENT STUDY** (3, 3). Fee \$10.00.
- Cy501, 502 **CHEMICAL RESEARCH** (3, 3). Fee \$10.00.
- Cy555, 556 **THESIS** (3, 3).
- Cy558, 586 **INDEPENDENT STUDY** (3, 3). Fee \$10.00.

ECONOMICS

JOHN COPPS, *Associate Professor*

JOHN E. BARTHEL, WILLIAM D. GEER, *Assistant Professors*

FRANK M. PHILLIPS, *Visiting Professor*

Es113, 201, 202, 301, four additional courses in economics, and 6 hours in each of two other social sciences fulfill the requirements for a major in economics. Student must also meet the general University requirements. Prerequisites for each course are listed in the course description.

Es113 **ECONOMIC HISTORY OF THE UNITED STATES** (3). Survey of the development of American industry, commerce and agriculture; review of European development.

Es201 **PRINCIPLES OF ECONOMICS** (3). Economic forces, institutions, and policy, emphasizing American experience. Generally restricted to second-year students. Prerequisite: Es113.

Es202 **PRINCIPLES OF ECONOMICS** (3). Continuation of the study of basic economic institutions; international trade and finance, comparative economic systems. Generally restricted to second year students. Prerequisite: Es113.

Es222 **PERSONAL FINANCE** (3). See Bn222.

Es301 **ECONOMIC ANALYSIS** (3). Study and critical evaluation of economic theories that attempt to explain the pricing process, distribution of income in the form of profits, wages,

interest and rent, and the level of income and employment. Prerequisite: Es202.

Es303 PRINCIPLES OF MONEY AND BANKING (3). Analysis of the functions of money and credit in the American and international economies. Institutions and practices of commercial, central, and international banks; causal relationships between money, prices and employment. Prerequisite: Es301.

Es308 MONETARY AND FISCAL THEORY (3). Theories of the causal relationship between various monetary and fiscal policies and business activity. Prerequisite: Es303.

Es318 ECONOMICS OF PUBLIC UTILITIES (3). The public utility concept and public utilities in the United States and Europe. Analysis of certain industries set apart as public utilities; their administrative problems, and ultimate objectives. Prerequisite: Es301.

Es321 MATHEMATICS FOR THE ECONOMIST (2). Application of mathematical techniques to the solution of economic problems; introduction to mathematical economics.

Es334 STATISTICS (3). Collection and tabulation of statistical data; graphic presentation; measures of central tendency and dispersion; analysis of time series; index numbers, correlation and forecasting. Applications of statistical methods to economic and social problems.

Es352 LABOR ECONOMICS (3). The "labor problem," labor markets, labor unions, economic security. Special emphasis on economic and social significance of current collective bargaining issues and similarities and differences between American and foreign labor movements. Prerequisite: Es201, or permission of the instructor.

Es408 DEVELOPMENT OF ECONOMIC THOUGHT AND POLICY (3). Emphasis on merchantilist, classical, Marxist, utopian-socialist, and neoclassical traditions. The causal relationship between experience and economic theory and policy is stressed. Prerequisite: Junior standing and permission of instructor.

Es409 COMPARATIVE ECONOMIC SYSTEMS (3). Comparative analysis of the U. S., British, Russian and other economic systems. Prerequisite: Es201, or permission of the instructor.

JOURNALISM

JOHN MORGAN WELCH, *Assistant Professor*

In addition to the general University requirements, a major must present twenty-four hours in journalism, including six hours in reporting, and three hours in editing; twelve hours in English; twenty-one hours in history and political science; and six hours in philosophy and psychology. The student must be able to use the typewriter effectively.

- Jm207, 208* NEWS REPORTING (3, 3). Groundwork in news gathering and writing; news beats on campus and in the city. Fee \$2.50.
- Jm303* FEATURE WRITING (3). Analysis of and practice in writing feature material. Prerequisite: *Jm207*.
- Jm304* MAGAZINE ARTICLES (3). Writing, editing, and marketing magazine articles. Prerequisite: *Jm207*.
- Jm311* SPECIALIZED REPORTING (3). A conference course; assignments. Prerequisite: *Jm207*.
- Jm321* NEWS EDITING (3). Copyreading wire copy, local copy, writing headlines; layout and rewriting; participation in daily publication of *DeLand Sun News*; work on city desk. Prerequisite: *Jm207*.
- Jm327, 328* PRINCIPLES OF COMMERCIAL ART (3, 3). For description see *At327, 328*. Fee \$6.00 per semester.
- Jm343, 344* ADVERTISING LAYOUT AND COPY (3, 3). For description see *Bn343, 344*.

MATHEMATICS

EMMETT S. ASHCRAFT, *Associate Professor*

In addition to the requirements of the University and of the Division of Natural Sciences, a major must present thirty hours in mathematics.

- Ms105* COLLEGE ALGEBRA AND PLANE TRIGONOMETRY (5). Review. Rectangular coordinates, functions and their graphs, system of linear equations; determinants, exponents and radicals, quadratic equations, binomial theorem, logarithms. Functions of the general angle, law of sines and cosines, solutions of triangles. Prerequisite: One year of high school algebra.
- Ms106* PLANE TRIGONOMETRY AND ANALYTIC GEOMETRY (5). Continuation in trigonometry and principles of analytic geometry, plane and solid. Prerequisite: *Ms105*.
- Ms205* ELEMENTARY ASTRONOMY (3). Non-mathematical descriptive astronomy: sun, moon, planets, constellations; time; use of telescope. Not accepted toward major in Division of Natural Sciences. Offered on demand.
- Ms301, 302* ELEMENTARY CALCULUS (3, 3). Differentiation and integration; applications to geometry and physics. Prerequisite: *Ms106* or permission.
- Ms303* INTERMEDIATE CALCULUS (3). Multiple integration, partial differentiation, and series. Prerequisite: *Ms302*.

- Ms305, 306 **CALCULUS FOR ENGINEERS** (5, 5). Differential and integral calculus with applications to engineering problems. Prerequisite: Permission.
- Ms315 **THEORY OF EQUATIONS** (3). Methods of solution; matrices and determinants. Prerequisite: Ms301.
- Ms316 **DIFFERENTIAL EQUATIONS** (3). Methods of solution; applications to geometry and natural science. Prerequisites: Ms301, 302 and preferably Ms303, 315.
- Ms325 **COLLEGE GEOMETRY** (3). Prerequisite: Permission.
- Ms331 **SYNTHETIC PROJECTIVE GEOMETRY** (3). Introductory concepts; duality, perspectivities, projectivities, harmonic sets, theorems of Desargues, Pascal, Brianchon; poles and polars. Prerequisite: Ms106.
- Ms341 **SOLID ANALYTICAL GEOMETRY** (3). Determinants, matrices, planes, lines, quadric surfaces, analysis of the general equation of the second degree. Prerequisite: Ms301 or permission.

PHYSICS

GEORGE L. JENKINS, *Professor*
JAMES E. WILLS, JR., *Associate Professor*
MASON E. HUFFORD, *Visiting Professor*

In addition to the general University requirements, a physics major must present thirty hours of physics and Ms316.

Ps201, 202 GENERAL PHYSICS (5, 5). Elementary mechanics, heat, sound, electricity, magnetism, light and modern physics. Prerequisite, Ms105, 106 or equivalent. Four hours lecture and two hours laboratory per week. Fee \$10.00 per semester.

Ps303, 304 ADVANCED LABORATORY WITH PROBLEMS (3, 3). Mechanics, heat and electrical measurements with statistical treatment of data. One hour lecture and four hours laboratory per week. Prerequisite: Ps201, 202. Fee \$10.00 per semester.

Ps327 ELECTRONICS (3). Vacuum tube circuit, linear and nonlinear impedance, amplifiers, trigger and control circuits. Three hours lecture per week. Prerequisite: Ps202, Ms306.

Ps331 OPTICS (3). Intermediate geometric and physical optics, lens systems, interference, diffraction and polarization. Three hours lecture per week. Prerequisite: Ps201, 202, Ms306.

Ps345 THERMODYNAMICS (3). General gas laws, equations of state, laws of thermodynamics, power cycles, Maxwell's thermodynamic relations. Three hours lecture per week. Prerequisite: Ps201, 202, Ms306.

Ps401 ELECTRICITY AND MAGNETISM (3). Electrostatics and magnetostatics, current electricity, electro-magnetic induction and Maxwell's laws of electromagnetism. Three hours lecture per week. Prerequisite: Ps202, Ms316 or equivalent.

Ps421 MECHANICS (3). Dynamics of particles, vector notation, Newton's laws, LaGrangian and Hamiltonian formulations of mechanics. Three hours lecture per week. Prerequisite: Ps202, Ms316 or equivalent.

Ps441 LINE SPECTRA AND ATOMIC PHYSICS (3). Line spectra and atomic theory, Bohr theory of the hydrogen atom, introduction to quantum theory and the periodic table of the elements. Three hours lecture per week. Prerequisite: Ps202 Ms316 or equivalent.

Ps442 NUCLEAR PHYSICS (3). Radioactivity and properties of nuclei, particle accelerators, nuclear reactions, fission and

fusion. Three hours lecture per week. Prerequisite: Ps-202, 441, Ms316 or permission.

Ps485, 486 INDEPENDENT STUDY (3, 3).

PSYCHOLOGY

WILLIAM D. BLISS, WARREN F. JONES, JR.,

ALBERT I. PRINCE, JR., *Assistant Professors*

To major in psychology a student must present, in addition to the general University requirements, twenty-four hours in psychology, including the departmental core courses (Psy 301, 302, 303, and 304), the senior Seminar (Psy 430), and By 302. Psy 101 is prerequisite to all other courses.

College of Law

HISTORY

THE COLLEGE OF LAW is the oldest law school in Florida. From its founding in 1900 until the close of the academic year 1953-54 it was located in DeLand. During that half-century its graduates achieved distinction in both state and nation. In the summer of 1954, the College was moved to a new ten-acre campus in the pleasant Gulfport residential section of St. Petersburg, Florida. The present location provides ready access to the courts, agencies, and all institutional facilities of the entire Tampa Bay metropolitan area, the largest concentration of population in Florida.

ACCREDITATION

The College of Law is a member of the Association of American Law Schools and is approved by the American Bar Association.

PURPOSE

The course of instruction is planned to fit the graduate for the successful practice of law in any state of the United States. The curriculum, the basis of which is furnished by Anglo-American common law, is planned to present underlying principles of law, together with their rules and history. An attempt is made to teach principles and develop the ability to apply them. In addition, an effort is made to emphasize the statutory and judicial modification that have been made to the common law in Florida.

The Faculty emphasizes the active duties of the office and courtroom. At the same time effort is made to impress upon the students, both in the classroom and in private conferences, a high conception of the ethical and public responsibilities of the profession without which knowledge of the law may be detrimental both to the individual and to the state. Effort is further made to search for and to evaluate the philosophy that underlies the various principles of law. In procedural or adjective law a similar method is supplemented by careful instruction in pleading and practice through the drafting of legal papers and through a well-developed practice court that supplies practical training.

THE LAW LIBRARY

The library is a collection of over twenty thousand volumes which is being constantly enriched by gifts from alumni, other members of the bar, and friends of the College.

PRE-LEGAL EDUCATION

The College of Law does not require applicants to follow a prescribed course of pre-legal education. However, preference is given to applicants who have satisfactorily completed college courses in at least six of the following subject groups: social science (government, economics, sociology), philosophy and ethics, psychology and logic, English and American literature, English and American history, mathematics, laboratory science (biology, chemistry, physics), ancient or modern foreign languages, and accounting.

ADMISSIONS

The College of Law selects its students from the following:

1. Applicants who hold baccalaureate degrees from accredited colleges and universities.
2. Applicants who have completed satisfactorily three-fourths of a four-year course of study acceptable for a baccalaureate degree at an accredited college or university. Not more than ten per cent of the credit presented for admission shall be in non-theory courses in military science, hygiene, domestic arts, physical education, vocal or instrumental music, or courses without intellectual content of substantial value.

Applicants must file forms with the Dean of the College of Law at St. Petersburg, including transcripts of their college credits.

Each applicant for admission is expected to take the Law School Admission Test administered by the Educational Testing Service. Applicants should write to Educational Testing Service, 20 Nassau St., Princeton, New Jersey, for an application form for this test and a bulletin giving information about its administration.

ADVANCED STANDING

An applicant with a satisfactory average may be admitted to advanced standing, not to exceed two years, by transfer from another accredited law school, provided he furnishes an official statement that he is in good standing as to conduct and scholarship and is eligible to return. Only those courses graded C or better may be transferred.

DEGREE REQUIREMENTS

A minimum of 84 semester hours and 84 quality points, with an average of C in the total of all work attempted in the College, must be presented for the degree Bachelor of Laws (LL.B.). Three academic years (at least ninety weeks—six semesters) are required, the last year (two semesters or their equivalent) of which must be completed in residence at Stetson University College of Law. Ten or more hours are required per semester for full residence credit.

Degrees are conferred upon students who meet the prescribed academic requirements and are approved by the Faculty of the College. The College reserves the right to refuse a degree whenever it appears that the character or conduct of a student will prevent his acceptable representation of the College or will compromise the legal profession.

COMBINATION COURSE

A student who has a year of residence in the Stetson College of Liberal Arts or in the Stetson School of Business and who has met the requirements of a department, division, or school, may, upon the successful completion of his law course, receive the degree Bachelor of Arts or Bachelor of Science together with the degree Bachelor of Laws. Thus, a student may receive both the academic and the law degree at the conclusion of six years of study.

Students should consult the Dean of the College of Liberal Arts, or the Dean of the School of Business, as soon as they have determined to enter upon this course of study, in order that their programs may be worked out properly.

TUITION AND EXPENSES

For information concerning tuition and expenses, see the *Bulletin* of the College of Law.

SCHOLARSHIPS AND PRIZES

A number of scholarships, ranging in stipend up to \$500 per year, are made available by the Highbaugh Foundation of Louisville, Kentucky, the Gulf Life Insurance Company of Jacksonville, Florida, and the Trustees of the University. All awards are based on financial need, capacity for academic achievement, and potential qualities of Christian leadership; they are described in detail in the *Bulletin* of the College of Law. Full information and application forms may be obtained from the Dean of the College.

Outstanding scholarship and achievement in writing and drafting legal instruments and papers is recognized by a variety of prizes and awards; full information on these may be obtained from the *Bulletin* or the Dean of the College.

INFORMATION

Detailed information concerning the activities of the College, the curriculum, and required courses and electives is available in the *Bulletin* of the College of Law, copies of which may be obtained by writing the Dean, Stetson University College of Law, St. Petersburg 7, Florida.

School of Music

THE STETSON School of Music is a member of the National Association of Schools of Music. The School prepares students for the music professions, including the teaching of music in the public schools and the directing of church music. It also offers a variety of courses for the non-professional. There is a preparatory department for children and for students whose previous training has been insufficient.

The School of Music is housed in DeLand Hall and Annexes with separate facilities for the bands and the orchestra in the Band Hall. WJBS, the University-owned radio station, affords opportunities for broadcasting experience. A specialized music library of scores and recordings supplements the music literature collections of the University Library.

RECITALS AND CONCERTS

Experience in public performance is provided by recitals, oratorios, operas, and the band, orchestra, and glee club concerts. Music majors are required to attend recitals.

ARTIST PROGRAMS

Many opportunities to hear individual artists, ensembles, and orchestras are furnished by Faculty and Fine Arts Series concerts, and the Civic Music Association of DeLand and nearby cities.

CONCERT BUREAU

The Faculty of the School of Music are available for concert performance. Inquiries should be addressed to the Dean of the School of Music.

SCHOLARSHIPS AND STUDENT AID

Students in the School of Music are eligible to apply for the scholarships and grants described on pp. 35-40. A limited number of music students are employed in the School of Music as stenographers, accompanists, and library assistants.

PREPARATORY DEPARTMENT

The School of Music maintains a Preparatory Department for the benefit of children and young persons within the radius of DeLand. Its two-fold purpose is to offer the best musical training to children, and to provide observation of methods of class and

individual teaching for college students. Both class and private lessons are given in piano, organ, band and orchestral instruments, and voice.

ADMISSIONS, ACADEMIC REGULATIONS, DEGREE REQUIREMENTS

For admissions and expenses see the general University requirements on pp. 25, 32. Other academic and social regulations are the same as outlined for the University on pp. 27, 40. Information concerning fees for private lessons is available from the Dean of the School of Music.

The degrees Bachelor of Music and Bachelor of Music Education are conferred upon those students who have completed the prescribed academic program and have been approved by the Faculty. The School of Music reserves the right to withhold the degree when it appears that the character or conduct of a student will prevent his acceptable representation of the University. All candidates are required to participate in general student recitals and in senior recitals. An applied music major must present a complete senior recital of not less than fifty minutes duration.

THE MAJOR

Majors for the Bachelor of Music degree are offered in Piano, Voice, Organ, Orchestral Instruments, Theory, and Church Music. The Bachelor of Music Education and Bachelor of Arts (major in music) degrees are also offered. Each major fulfills the requirements of the National Association of Schools of Music; the Bachelor of Music Education degree satisfies teacher certification requirements for the state of Florida.

CORE CURRICULUM

All students majoring in music are required to take certain basic courses in the Freshman and Sophomore years: Theory, 16 semester hours; Music History and Literature, 10 semester hours; General Education 1 and 2, 8 semester hours; Applied Music, 8-16 semester hours. At the end of the Sophomore year comprehensive examinations will be given covering these areas. Admission to upper division fields of specialization will be determined by the results of these examinations.

Courses of Instruction

EXPLANATION OF COURSE NUMBERING

COURSES numbered 100-299 are lower division courses, 301-499 upper division. Courses numbered 1-50 in each series are applied music: 1-10, piano; 11-20, voice; 21-30, strings; 31-40, organ; 41-50, winds and percussion. Those numbered 51-60 are music education; 71-80, theory; 81-90, church music; 91-99, history and literature.

1. An applied music course symbol and number without a letter indicate work toward the Bachelor of Music degree with an instrument or voice as a major.

2. A course number and symbol followed by the letter *a* signify the teacher's course.

3. A course number and symbol followed by the letter *b* signify the course for music education and theory majors with an instrument or voice as the major performing medium.

4. A course number and symbol followed by the letter *c* signify work toward the Bachelor of Music degree or the Bachelor of Arts degree with an instrument or voice as a secondary performing medium.

5. A course number and symbol followed by the letter *d* signify work toward the Bachelor of Arts degree with an instrument or voice as the major performing medium.

6. A course number and symbol followed by the letter *e* signify work toward a degree with an instrument or voice as an elective course. Each course is outlined to suit the student's needs; no standard description of a course is possible. Such a number will not appear in the descriptions that follow, but will be used in the student's records to denote this classification. One class or private lesson per week is given and one and one-half semester hours of credit per semester.

School of Business

THE School of Business was established in 1940. It is housed in its own building on the main campus.

PURPOSE

The college graduate entering business without special preparation suffers a handicap; similarly one who confines his study to business is handicapped. The program of the School of Business, therefore, is a combination of academic and business subjects. The Faculty endeavor to cultivate in students those qualities of mind and character that will make useful citizens with high ideals of business morality and social responsibility. Students are encouraged to acquire a clear understanding of modern industrial society and of their responsibilities and opportunities in it.

ADMISSIONS

See general University requirements on pp. 25-26. Students enrolled in other colleges of the University are permitted to take courses in the School as electives. Students in the School of Business may elect courses in the other colleges of the University except the College of Law.

COOPERATIVE PLAN

A cooperative plan of study is offered in the School of Business. The plan operates by alternating study and industrial experience, and offers the student practical work in business. The curriculum for the cooperative course is identical with that offered for the regular four-year course as described below.

DEGREE REQUIREMENTS

The degree Bachelor of Science (Business) is conferred upon those students who complete the prescribed academic program and who have been approved by the Faculty. The School reserves the right to refuse a degree when it appears that the character or conduct of the student will prevent his acceptable representation of the University. All candidates for the degree must complete a core curriculum of approximately sixty semester hours. The purpose of these courses is to lay a broad foundation so that the student will have some knowledge of history, government, science and literature as a background. The remainder of

his work is taken in a field of concentration chosen by the student and designed to make him proficient in some field of business activity. Forty per cent of the student's work must be taken in the College of Liberal Arts.

COMBINATION DEGREE

A student who has, in three years, completed the core curriculum required of all students majoring in business, and has completed the courses required in the Combination Business-Law concentration (see page 124), may take the first year in the College of Law for his senior year. Upon completion of the requirements of the College of Law, he will receive not only the degree Bachelor of Laws but the degree Bachelor of Science (Business); thus he may receive both degrees at the conclusion of six years of study. An average grade of C is required in each college.

CORE CURRICULUM

Following are given in detail the courses required of all students enrolled in the School of Business and working toward the degree Bachelor of Science (Business):

MARKETING

Concentrated study of marketing trains students for positions in sales organizations, in market research, and in fields related to distribution. Emphasis is placed upon the importance of marketing costs as compared with those of production. Our system of large scale production, based upon regional specialization has brought about many complex marketing situations. This concentration attempts to provide understanding of these problems and to bring about reduction in selling costs.

ECONOMICS*

The curriculum in this field of concentration is designed to give the student a thorough and comprehensive understanding of economic affairs. The courses are arranged to train the student to analyze problems of the business and economic world. This concentration is an excellent basis for graduate study.

<i>Bn311</i> —CORPORATION FINANCE	3	<i>Es412</i> —PUBLIC FINANCE	3
<i>Bn407, 408</i> —BUSINESS LAW	6	<i>Es432</i> —MANAGERIAL ECONOMICS	3

If a student is not proved proficient in Se101 and/or Se107 and has used high school units in these subjects for entrance, the subjects must be taken without college credit.

†Students selecting this concentration must take G9, 10 and G11, 12 in the core curriculum. They may omit Es202.

BUSINESS EDUCATION (Limited Certification) † *

Students who wish to become certified to teach a limited classification of business subjects in Florida high schools may substitute approved courses in another field for Se107, 108, 207, 208, 302, 308, and 309.

SECRETARIAL PROFICIENCY CERTIFICATE*

The Secretarial Proficiency Certificate is readily recognized by employers. This certificate may be earned in two years. Upon satisfactory completion of the courses below, the student will receive a certificate indicating the amount of proficiency attained in the secretarial skills, and the course work completed in related subjects. The two-year program may readily be expanded into the four-year Secretarial Science course.

The United Stetson Alumni — 1957

The United Stetson Alumni is an organization of former Stetson students who are making annual gifts to the University. It is the alumni fund-raising unit in the University's development program. All former students of Stetson automatically become members of the Stetson University Alumni Association, the alumni social organization. Only alumni who are contributing to the University's support are members of the United Stetson Alumni.
